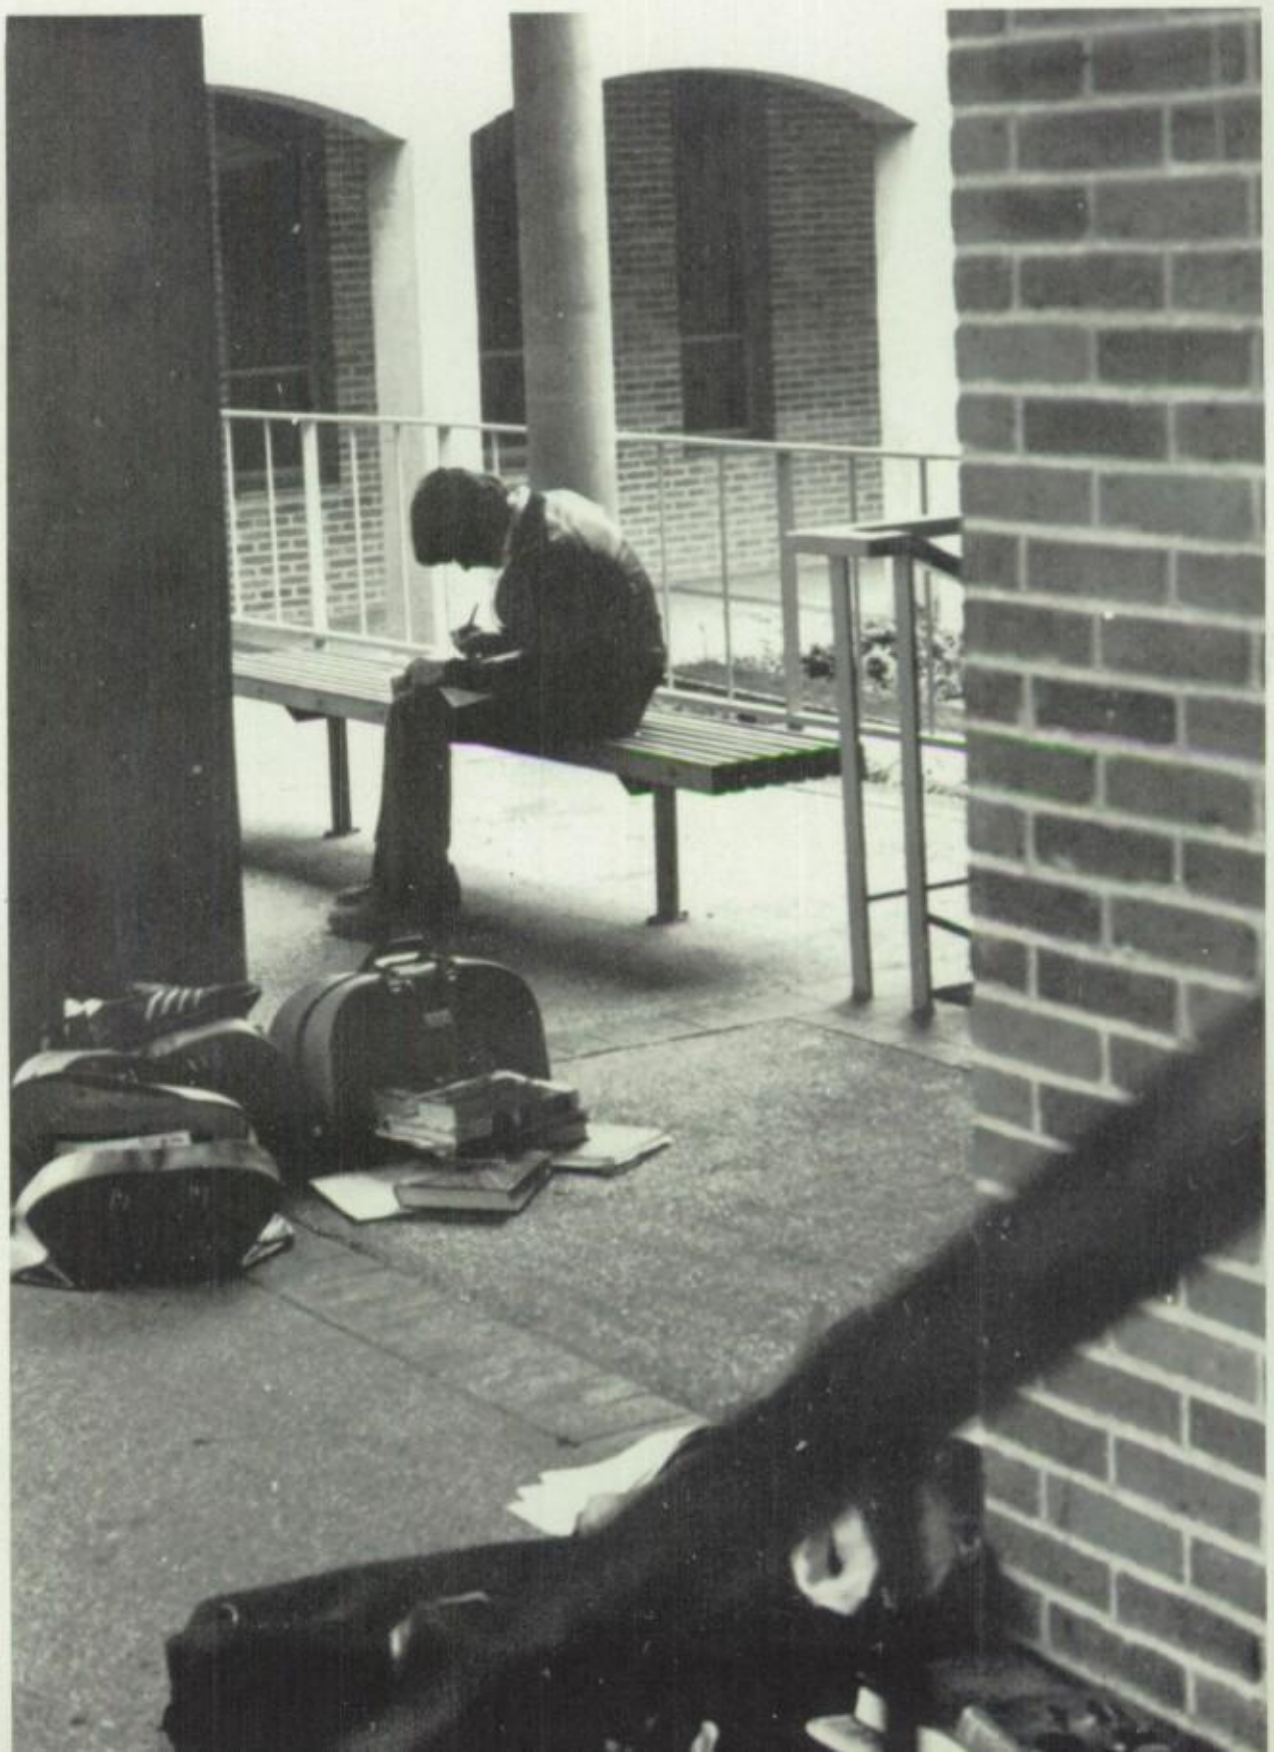
While sponsoring a physics tutorial several years ago, I was most gratified to observe a young man discover and develop some of his latent talents. For his work and contributions to the Science Department, he was awarded the Science Cup in his senior year.

Harold Van Schaik
Science



He was such a mature student — emotionally, intellectually and spiritually. His future will surely be as a contributing, gifted and distinguished community member.

Mary Pickard

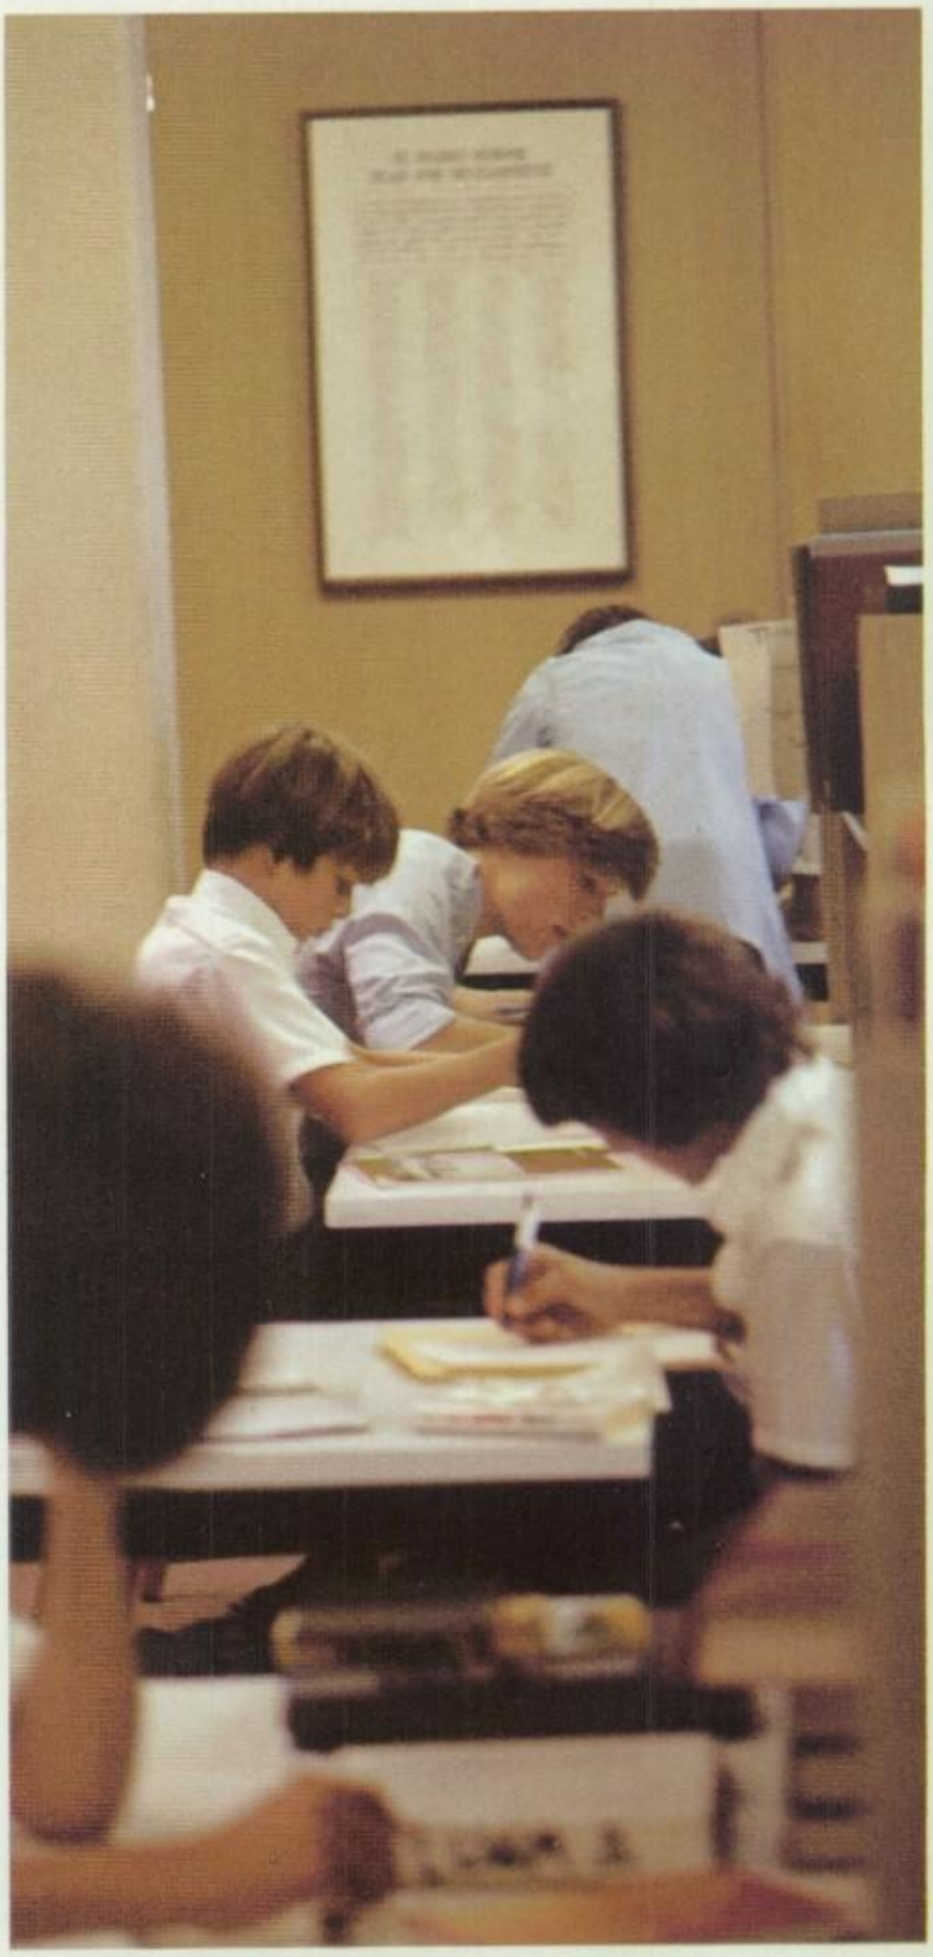
During my third year at St. Mark's, I taught an extraordinary group of characters A.P. European History. Known as the "Mickey Mouse Club" those "boys" subsequently have led interesting lives and have returned much to St. Mark's in the form of service, loyalty and affection.

John T. Whatley
Headmaster



He had a natural talent for the language. He knew the nature of the problem before the explanation.

Carlos Arandia
Language

He listened and read carefully, weighed the information, and made up his own mind. One could count on him to make a sound decision even if it meant not doing whatever was easiest.

Roberta Mailer

I wonder how many schools have students that place out of their first year at Harvard . . . skip their senior year and enter college . . . grow into fine leaders of our future that we can look on with pride and fond memories.

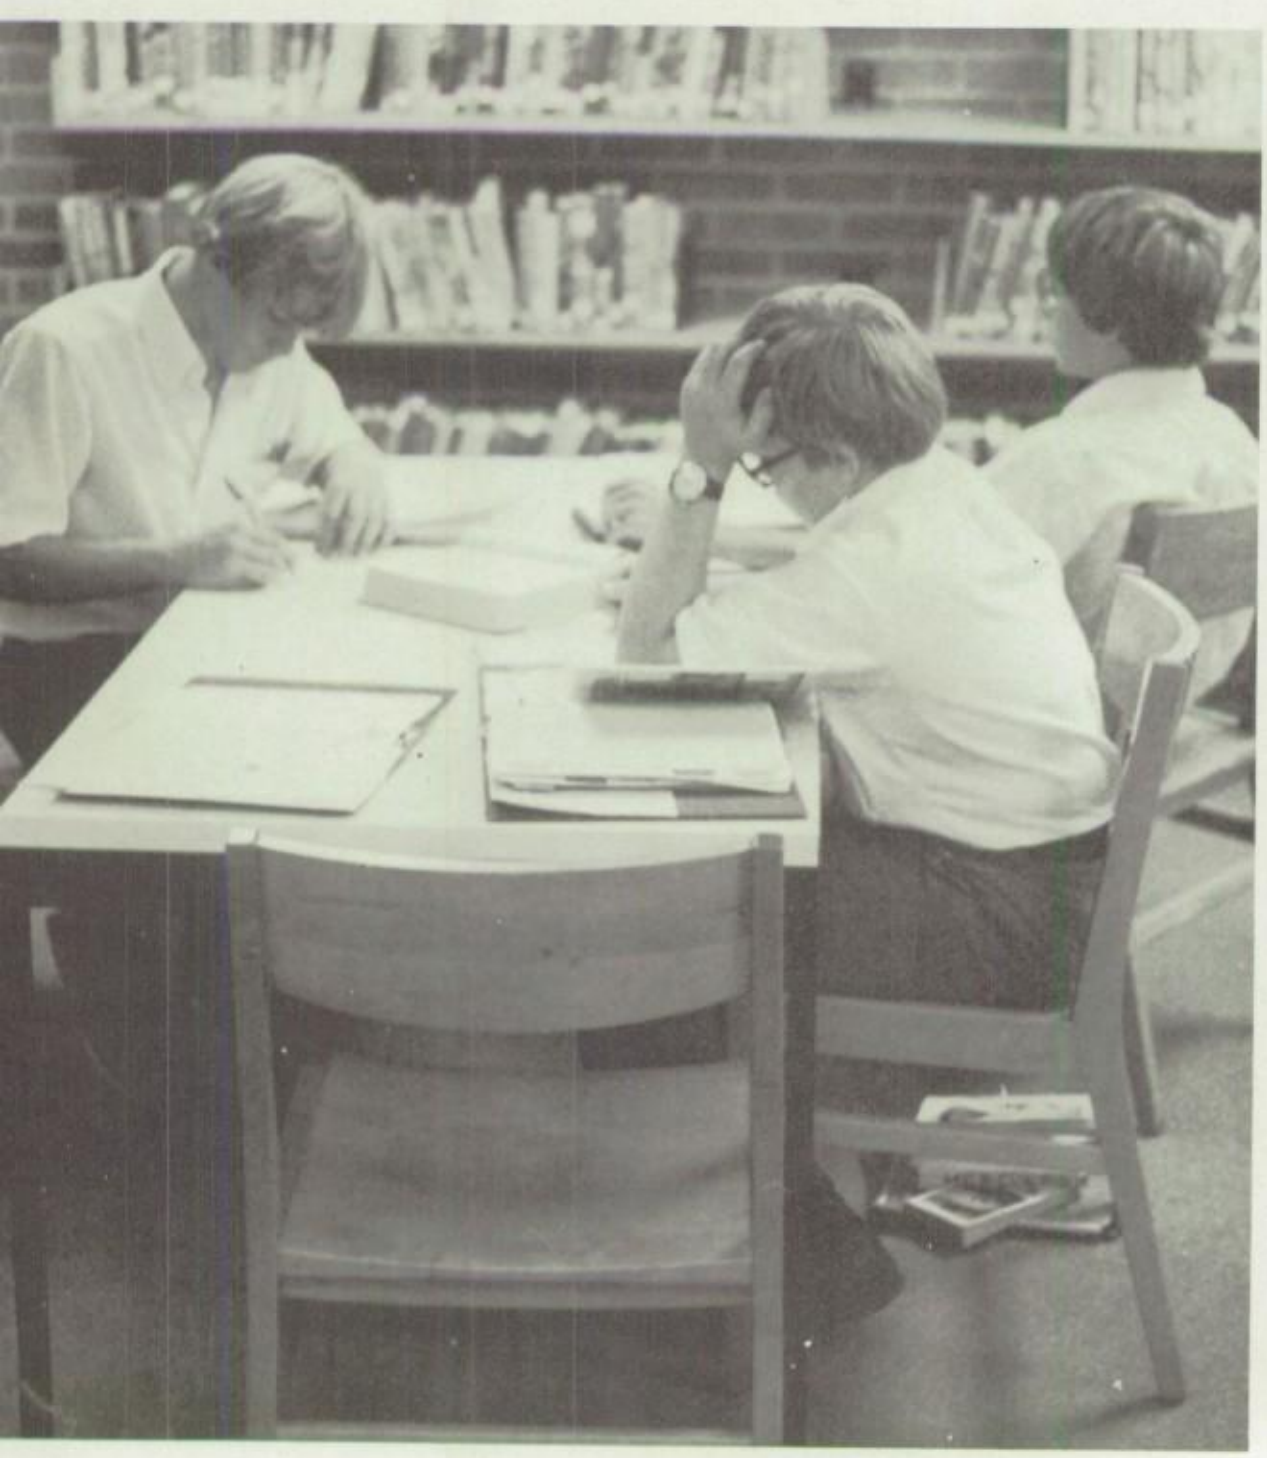
ST. MARK'S

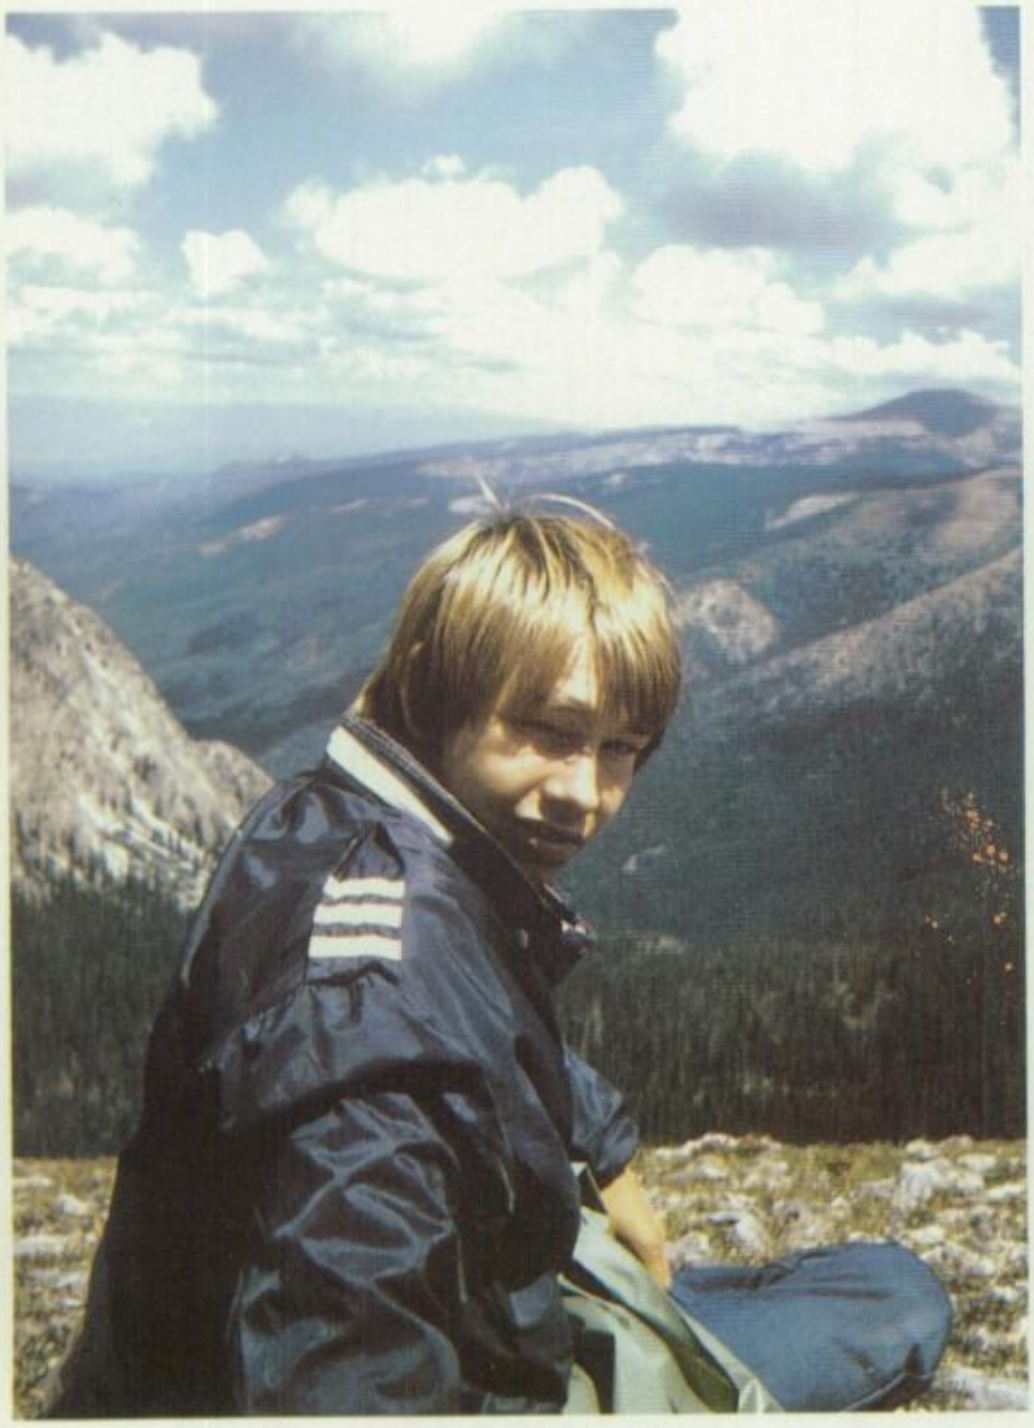
In my first year here, a student was assigned to make a red broth. Returning later, I was surprised to find that this "liquid" had turned hard and solid. I was standing there amazed when Mr. Larrimer came by and labelled it "Grecian Formula." The student was the only Greek I have ever taught.

Stephanie Barta
Science

He was a natural-born singer. He had the strongest and purest treble voice, which in his eighth grade year enriched into the most beautiful alto I've ever heard.

James Livengood
Fine Arts





Under my supervision he tutored students in reading at Douglass Elementary School. Once, a student of his didn't come to school. He went to the boy's house and found he had only a loaf of bread to eat that day. My student bought food for the boy and took him to school.

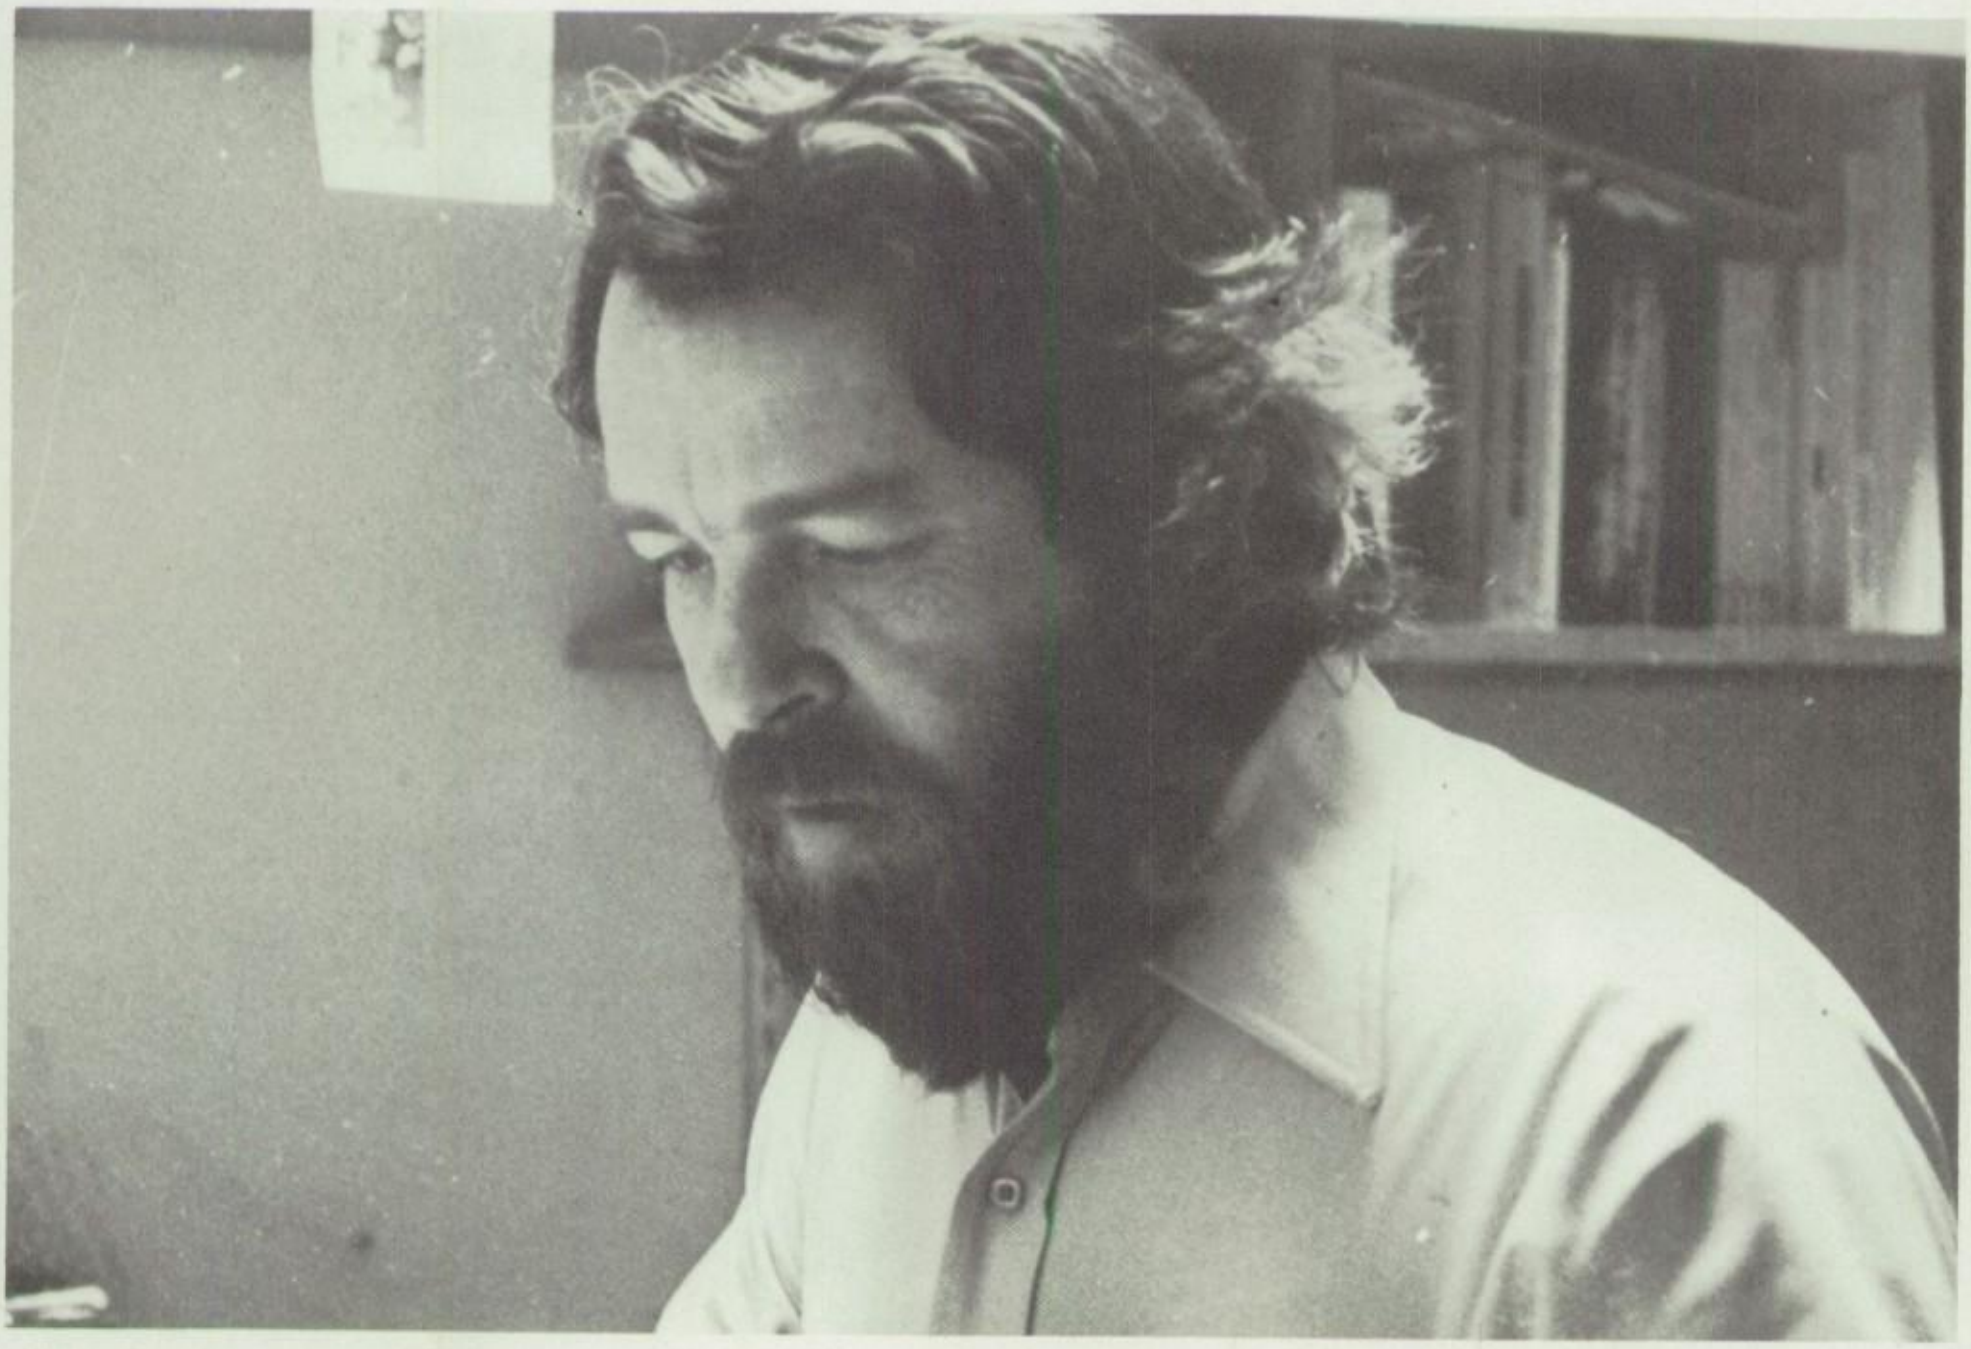
We, the Class of 1979, dedicate the *Marksmen* to Mr. Frat Davis who, through his hard work and committment to our learning, and affection and concern for our well being, has endeared himself to our class as a teacher, advisor, coach and friend.



CLASS OF

Activities

Student Council

Through the leadership and organization of President Craig Chapman and faculty sponsor Larry Cavitt, the 1978-79 Student Council had an active and productive year. The Council supervised such annual activities as Upper School Assemblies, the Homecoming Dance, St. Mark's-Hockaday Field Day, and teacher and Course Evaluation forms. In addition to these usual duties, the Council submitted a Student Concerns section to the school's I.S.A.S. Long Range Planning Report, clarified the purpose and procedure of the Discipline Committee and investigated the possibility of purchasing a stereo system to replace live bands at dances.

Along with Chapman, the Executive Committee of the Council (right) included Vice-President Craig Caudle and Secretary-Tresurer Bob Jenevein.

"Diverse representation contributed to a substantial achievement in school affairs."

— Craig Chapman '79

Lion and Sword

Under the direction of Mr. Herb Meyer, the Lion and Sword Society served the vital function of guiding visitors around the campus and providing support at such school functions as the Christmas Party, Commencement and Miniature School. Members are elected to the Lion and Sword by existing members of the society, the President and Vice-President of the junior and senior classes and the President and Vice-President of the Student Council.

"Lion and Sword allows me to serve the school in many vital areas."

— Frank Rolfe '79

Cum Laude

In its twentieth year of existence, the St. Mark's chapter of the Cum Laude Society held its annual induction in the spring. Up to 10% of the Junior class and 20%of the Senior class are chosen for their academic attainments. Mr. Andrew Mailer is the President of the school's chapter. Members of the Class of 1979 inducted in their junior year are: Louis Friedman, Duffy Graham, Jon Mosle, David Stoddart, Charles Sweet, and Eric Yollick.

National Merit Semifinalists

This year, seventeen percent of the students in the senior class were recognized as National Merit Semifinalists. Placing among the top half of one percent on the PSAT/NMSQT were seniors Oscar Estell, Louis Friedman, Al Gilbertson, Michael Herndon, Charles McCreary, Jon Mosle, Greg Raskin, David Stoddart, Charles Sweet, John West, and Eric Yollick.

National Merit Letters of Commendation

Ten seniors earned National Merit Letters of Commendation from the National Merit Scholarship Corporation this year. The seniors so honored were: Scott Berger, Bryce Chapman, Pat Cronin, Kurt Eichenwald, Duffy Graham, Jason Kincher, Brandt Miller, Charles Munson, Frank Rolfe, and Jim Wasserman. The honor is awarded to those who rank in the top two percent in the nation on the PSAT/NMSQT.

KRSM

Under the supervision of sponsor Ken Walters, and Program Director Rick Rasansky, KRSM expanded its air time to five hours a day in its fourth year of operation. With an increased listening audience, this year's marathon netted over $1600, lasting for sixty-one hours. It was conducted by Rasansky and Casey McManemin, and was aimed towards the purchase of a larger antenna for the station.

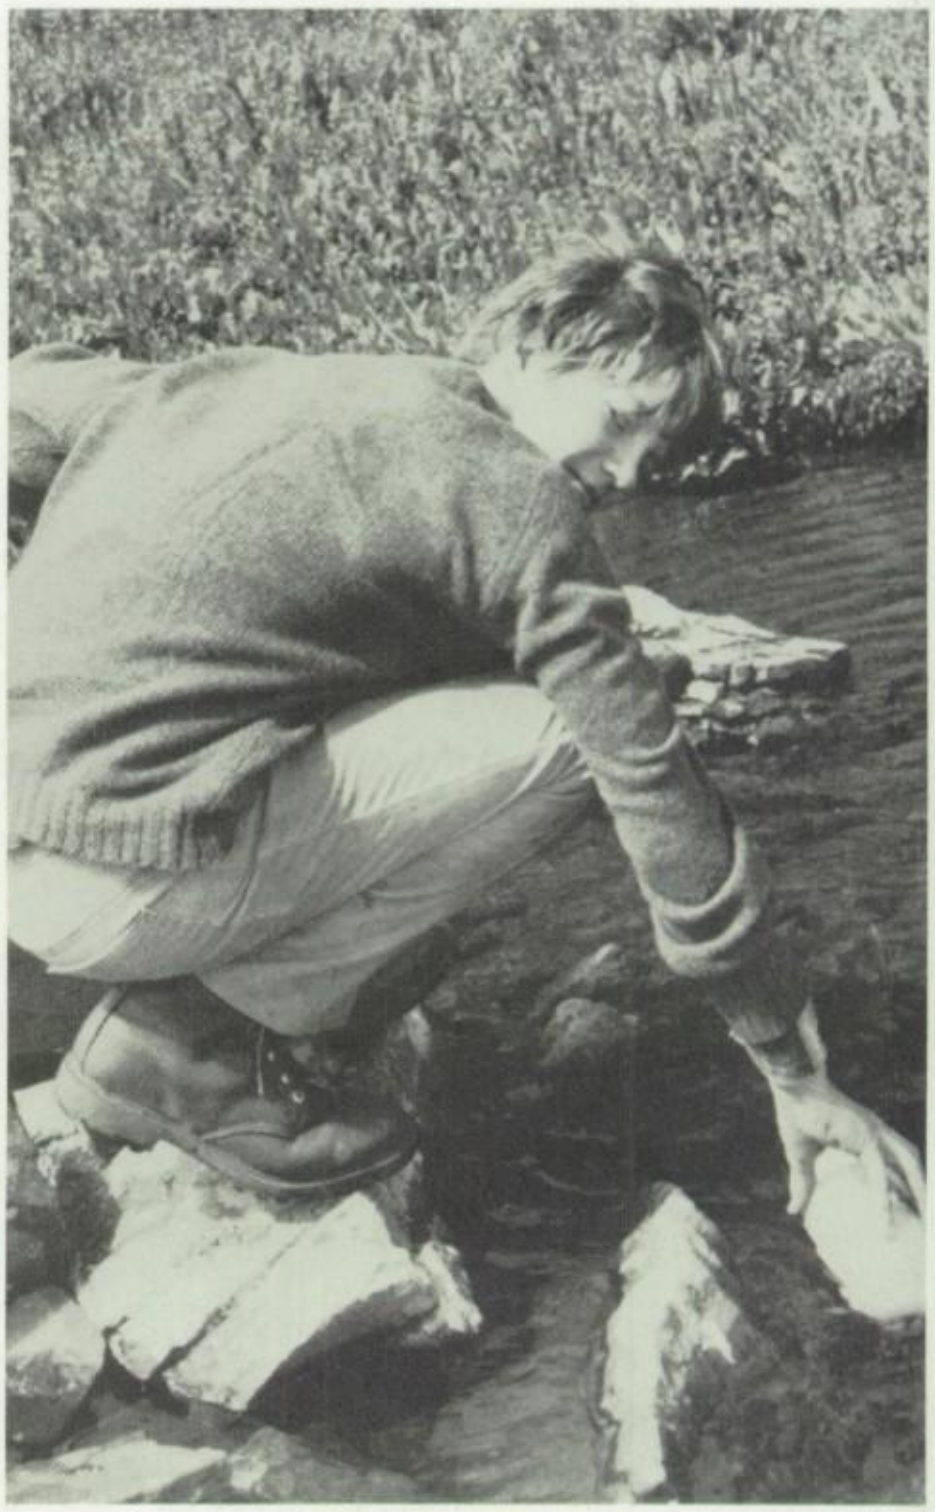
Pecos VII



This summer, the incoming freshmen once again travelled to the Pecos Wilderness for the seventh annual Freshman Trip. The trip is designed to better students' understanding of themselves and others, as well as unite the class.

During the trip, there were many activities to both instruct and entertain the campers. Students learned how to pitch tents, mark trails, read maps and rock climb. Each student underwent a twenty-four hour solo, giving each individual an opportunity for solitude and introspection. There were also discussions on the geology, the flora, and the fauna of the region.

The student project this year was to continue the clean-up of the campgrounds. The weather was perhaps not as good as in the past because of the large amount of rain. The rain did not, however, seriously affect the activities on the trip.

Happy Campers!

"The Pecos was a good experience for it taught me a sense of responsibility and made me work with others in a different situation. It helped me to know my classmates better and to learn more about myself. It helped me to learn teamwork and to work for a common goal."

— Bill Olds '83

"It was fun although it rained too much. We ran into a lightning storm on a mountain that had us all worried. But it was a good experience that taught me a lot."

— John Rowlett '83

Cheerleaders

The Lion Cheerleaders paralleled the excellence of this year's athletic teams by providing solid support at the games and firing up school spirit.

The squad began the year by receiving a superior rating at an NCAA Cheerleading Camp, and continued to demonstrate their zeal by presenting several memorable skits, such as the Viking skit, in pep rallies, and by hosting the popular victory parties.

The 1978-79 Cheerleaders were Senior Co-Captains Liz Walker and Craig Chapman, Seniors Greg Baker, Jim Baldwin, Scott Berger, Janet Mabery, Rick Rasansky and Tracy Stoneman, and Juniors Frances Ewing and René Williams. Laura Alpert was the lion.

"Cheerleading was a very rewarding experience. It brought me new friendships, and a real sense of dedication. It gave me a sense of pride which I tried to instill in others."

— Jim Baldwin '79

"The Cheerleaders this year had a successful season because they were enthusiastic, dedicated and united. The support from the faculty, students and the football team enabled us to maintain a positive attitude."

— Craig Chapman '79

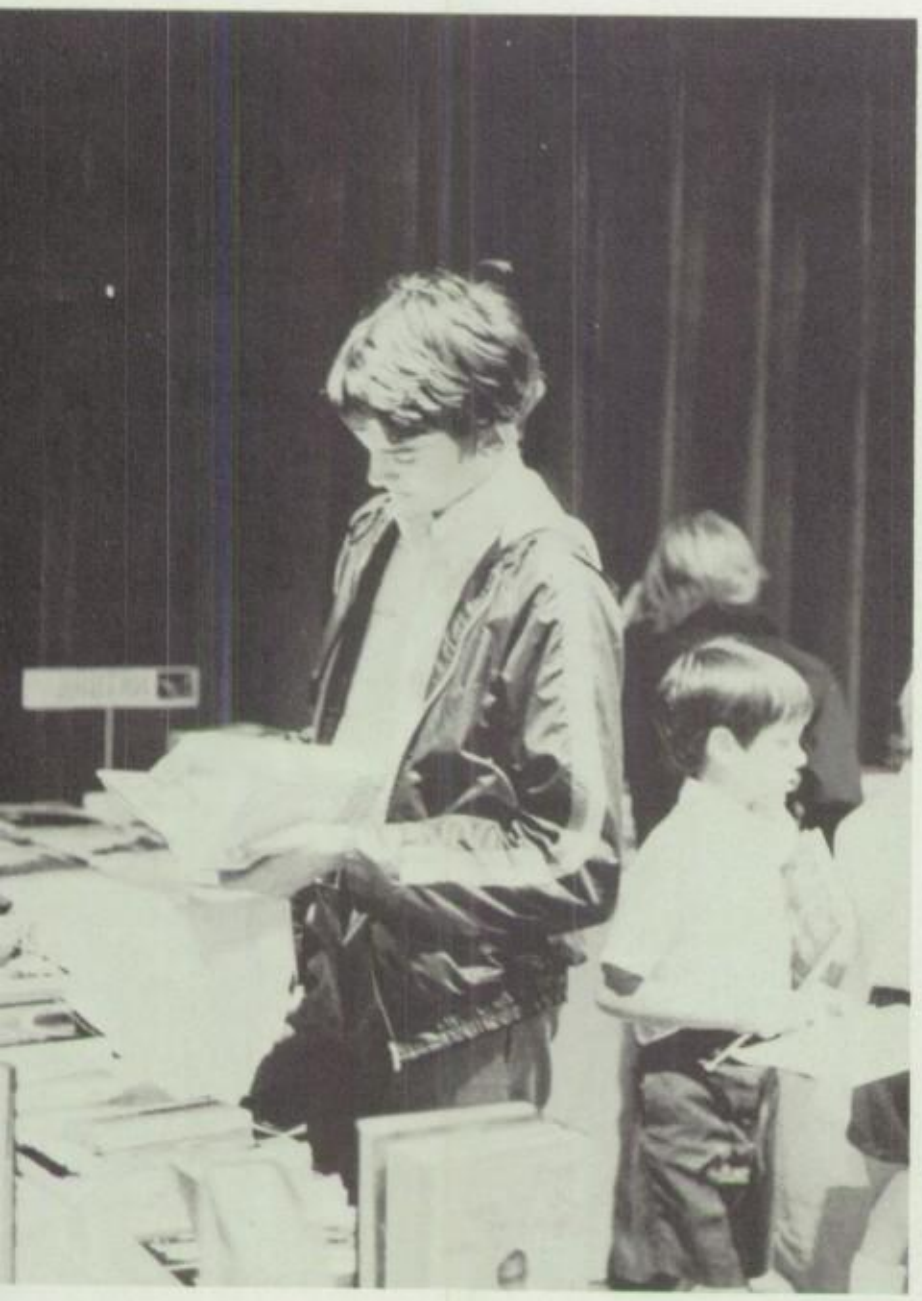
The Viking skit

Field Day

The St. Mark's-Hockaday Field Day was held at Hockaday on Saturday, November 18. The festivities included soccer, volleyball, capture-the-flag, tug-of-war, and a jello-eating contest. The purpose of the event was to promote better student relations between the two schools. The meeting has come to be known as the "Battle of the Sexes."

Pull!

The Agony of Defeat



Bookfair

Under the leadership of Chairwoman Mrs. James Shorey, the annual Parent's Club Bookfair neeted over $1000 for the Library Fund. Held in the Performance Hall October 17-19, the Bookfair offered a wide variety of literature ranging from bestsellers to picture books. The House of Books provided this year's offerings.

Jack Glatzer

Jack Glatzer

The noted violinist Jack Glatzer discussed and performed the works of composer Niccolo Paganini on November 5. Mr. Glatzer demonstrated the unusual techniques of Paganini for the entire school, and especially the Upper School Strings classes.

Pershing Tutorial

Since its inception in 1975, the Pershing Tutorial has served to educate primary school students at Pershing Elementary in such diverse subjects as French, Athletics, and Band. Twice a week, over 40 juniors and seniors who participated in the program traveled to pershing to work with both individuals and groups of students.

Headed by Mr. Larry Cavitt of St. Mark's, Ms. Rose Ann Hall of Pershing, and Project Coordinator Errington Thompson, it was an effective and enriching endeavor.

"There is education in teaching as well as learning."

— John Harris '79

Folk Concer

Collecting approximately $215 and thirty cans, the annual Can-Paign Folk Concert was attended by over 300 people. The event, held as a function of the Can-Paign, included members of the St. Mark's Band and other musically inclined students playing hits by such popular groups as Kansas and Chicago, selections from the musical "the Wiz", and "Also Sprach Zarathrustra."

"The "The folk concert gave me a chance to both demonstrate my musical abilities and help the Can-Paign at the same time."

— Greg Raskin '79

Senior-Faculty Picnic

The annual Senior-Faculty Picnic was held on Wednesday, October 25, at the gymnasium. Following a sumptuous smorgasbord dinner prepared by the senior mothers, the faculty and twelfth graders engaged in a number of activities. Volleyball, horseshoes and an eggtoss were all well received, and the spirited battle was a complete success.

"Nice little birdie."

"Well, hey there, pilgrim."

Can-Paign

The seventeenth annual Can-paign was another successful effort to collect cans for the needy families of Dallas. Under the leadership of Chairmen Pat Cronin, Casey McManemin, and Jim Wasserman, over 26,000 cans and $3000 were accumulated through such efforts as nightly and morning collections, bake sales, lunchroom auctions and the folk concert.

The seniors also visited the children at the Mt. Carmel Mission, one of the recipients of the food collected.

This year's goal was not a fixed number of cans, but 100% participation by the student body.

Chairmen Cronin, Wasserman and McManemin

"The 1979 Can-Paign was the highlight of my educational career. The Can-Paign captured the true spirit of the school."

— Casey McManemin '79

Outing Club

This year's Outing Club was revitalized through the efforts of Mr. Peter Lutken, the club sponsor. President John Harris and Vice-President Greg Raskin helped to lead the club in such activities as canoeing, exploring, hiking, and rock-climbin. The club supplemented such efforts as a wilderness P.E. program and the St. Mark's Wilderness School.

The club travelled to a number of sites including White Rock Lake and Enchanted Rock.

"We did it because it was there."

— John Harris '79

AFS Club

The 1978-79 AFS Club experienced a reorganization under the guidance of sponsor Gary Mencin and President Jeffrey Stager. Aside from the successful student tours and the annual AFS Carnival, the student assemblies and Parent's Night were all well received. This year's AFS student was Massimo Zivelli from Italy.

"The AFS Club has given me the experience of relating to people of other cultures. This has helped me to better relate to people in my own culture."

— Jeff Stager '80

Christmas Party

The traditional Christmas Party, celebrating the first day of Christmas vacation, was held in the Chapel on December 15. The seniors carried first graders into the Chapel and helped them decorate the tree, while the St. Mark's community sang Christmas carols. Father Gonzales of the Good Samaritan Church was on hand to accept gifts from Student Council President Craig Chapman.

The program was highlighted by Can-Paign Chairmen Pat Cronin, Casey McManemin and Jim Wasserman's announcement of the Can-Paign results: 26,000 cans and $3000.

Mrs. Hazel Cardiff of the Little Flower Missionary Society congratulated everyone involved in the drive. Father Caspa-rian delivered the benediction to conclude the ceremony.

Lower Schoolers prepare for their entrance.

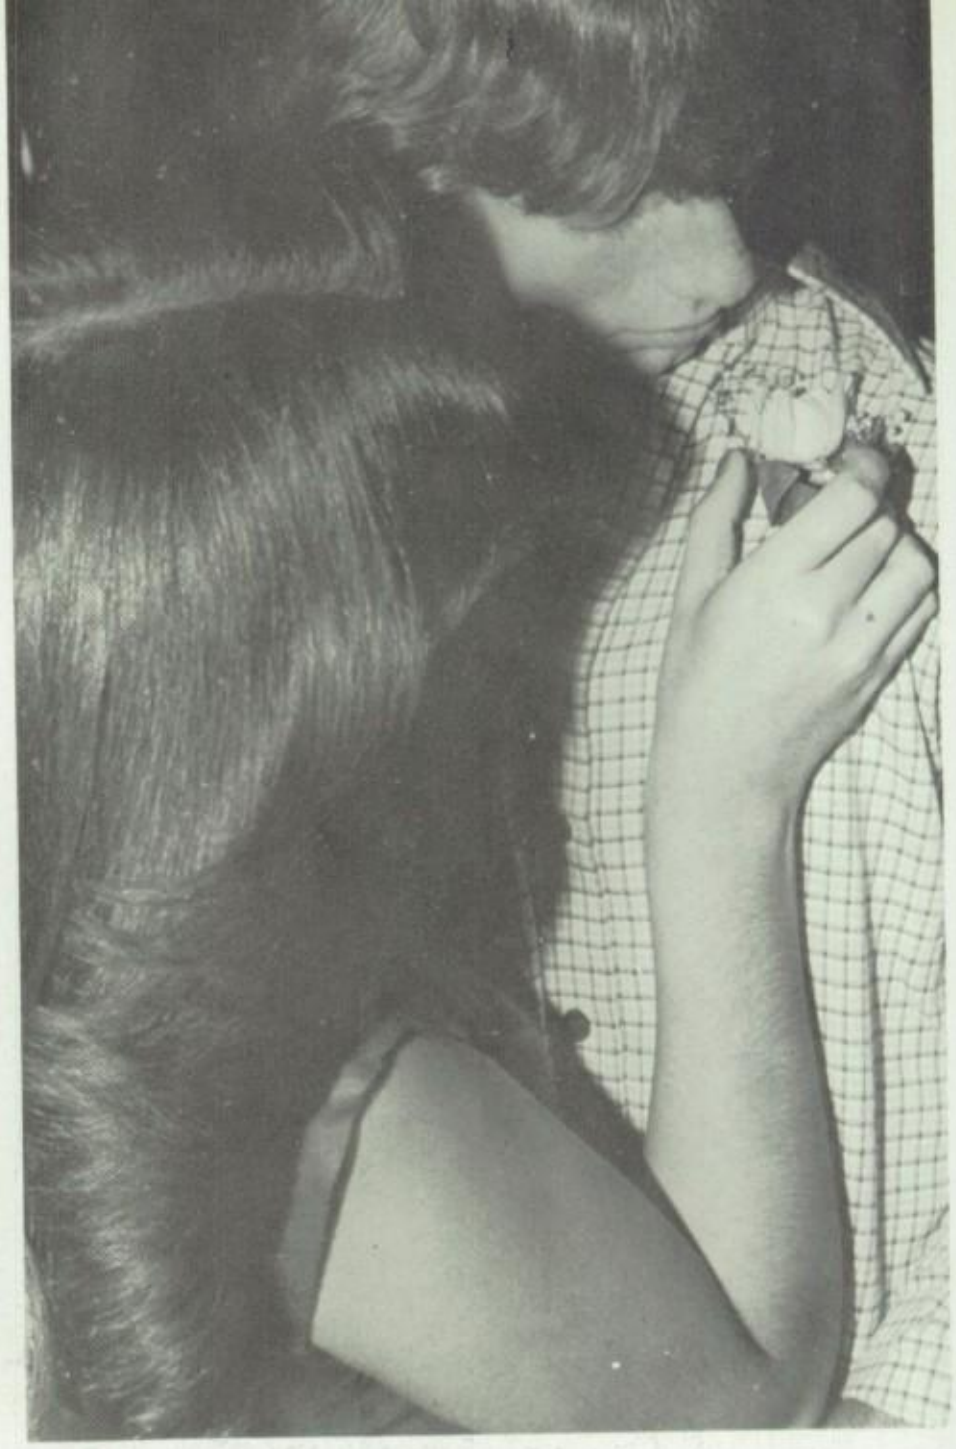
The seniors look on.

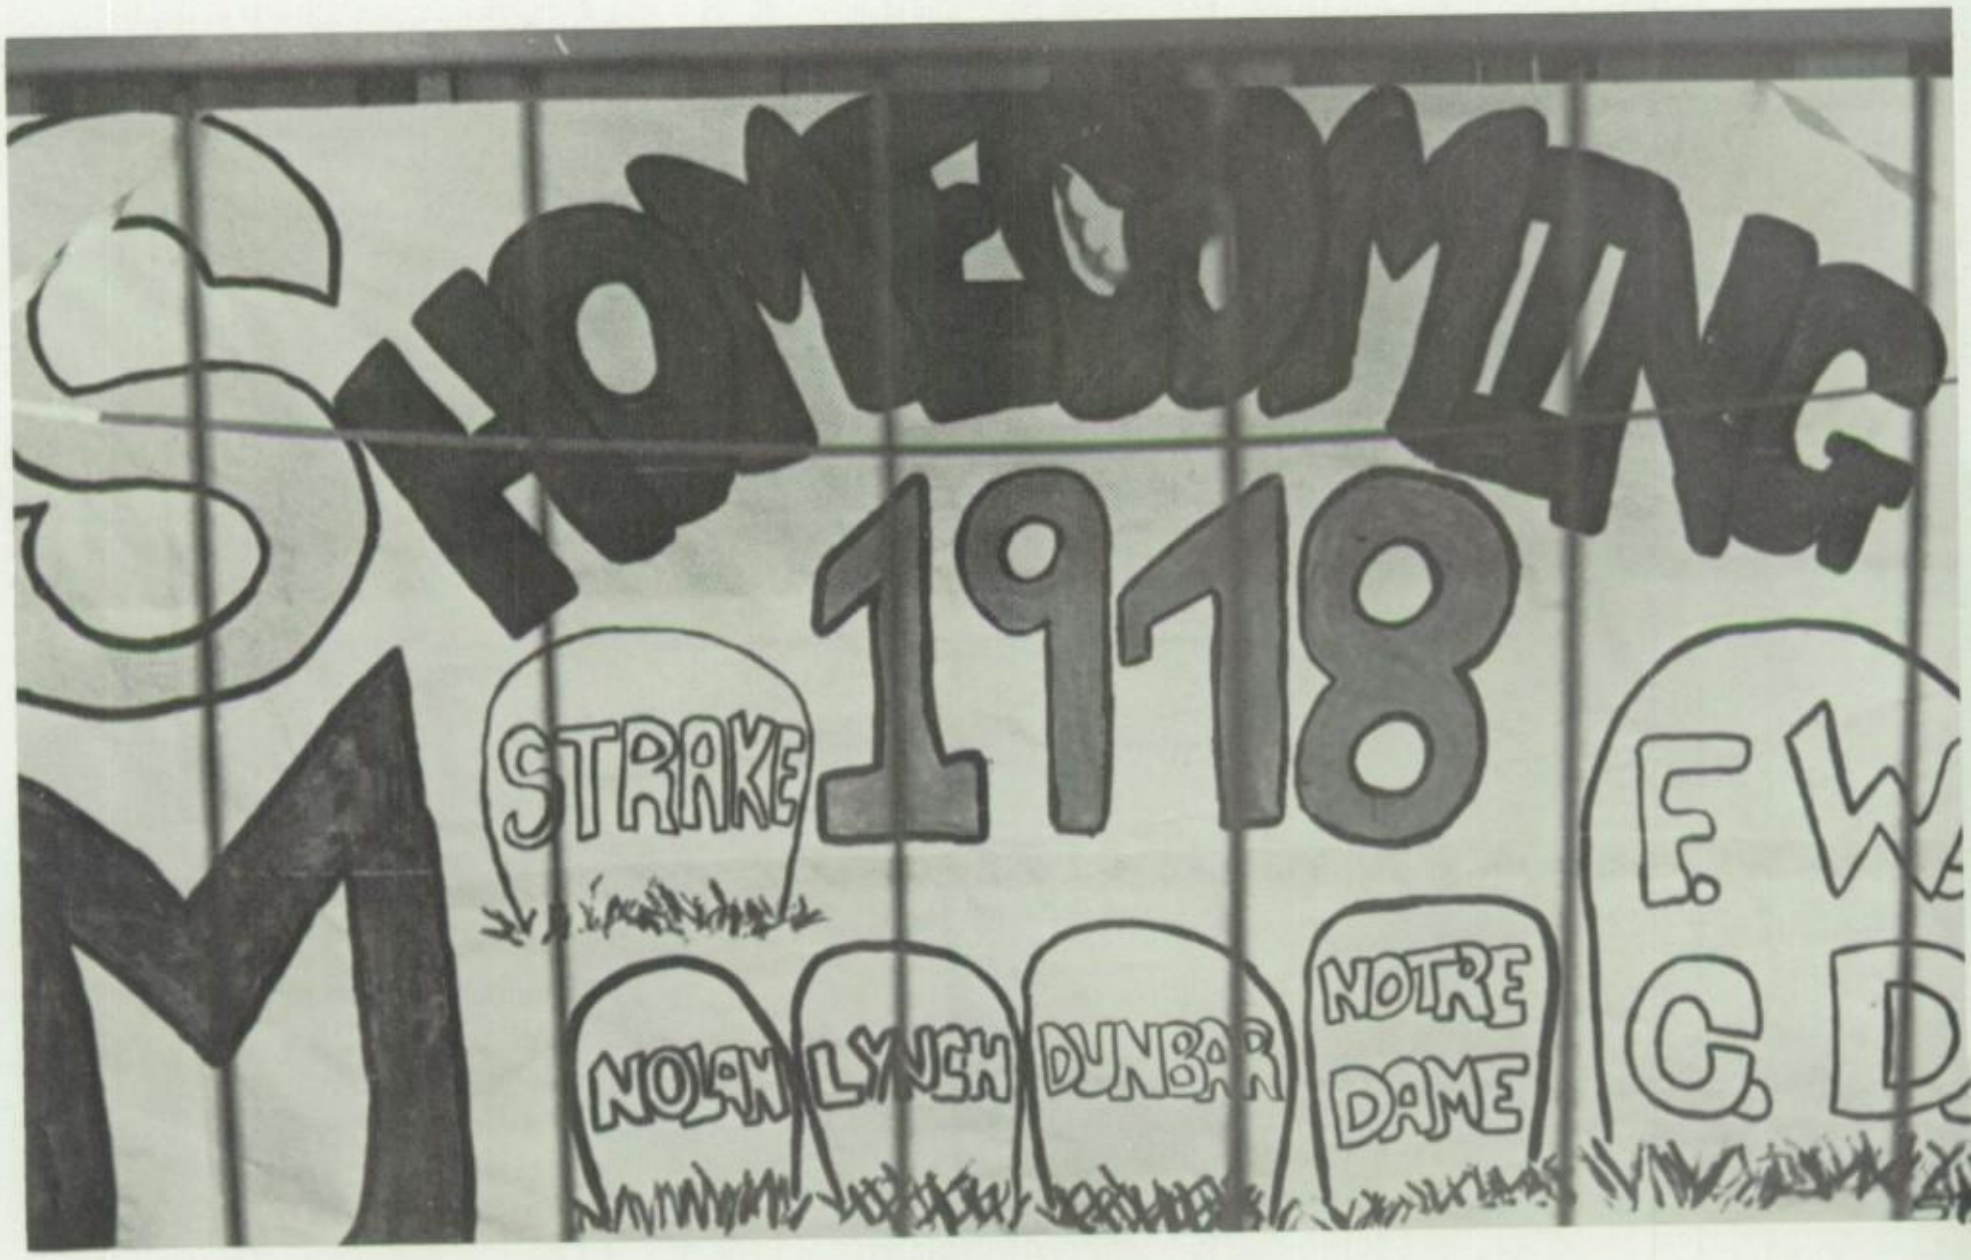
"This year's Can-Paign was distinct from previous ones because the goal was not a chore but an opportunity to help others. In the past, the ideal was too often lost in a scramble for cans; this year we stressed the act of giving."

— Jim Wasserman '79

Homecoming

On the occasion of the St. Mark's victory over Ft. Worth Country Day, the 29th annual Homecoming Dance was held November 11, featuring the outstanding Dallas band Phyreworks (formerly Pyramid). The majority of the Upper School student body was in attendance, as well as many alumni and friends.





Junior Dance

The Junior Dance was held on October 21 in the cafeteria. This year's theme was "World War II", with decorations such as bomb casings, flags, barbed wire, sandbags and an army jeep adorning the surroundings. Students were encouraged to wear military uniforms, and most faculty chaperones came in their fatigues. The band was TKO, a very popular local group.

"Normandy was never like this."

— David Lauten '79

The Sophomore Dance held on February 10, was highlighted by an original "hat and shades" theme. With music by Motion, and under the guidance of Sophomore class sponsor Frank Jones, the dance attracted a large number of the student body. The dance also featured a number of visual effects including lasers and slides.

"I'm a soul man . . ."

— John Broom '79

President Rick Rasansky

Ski Club

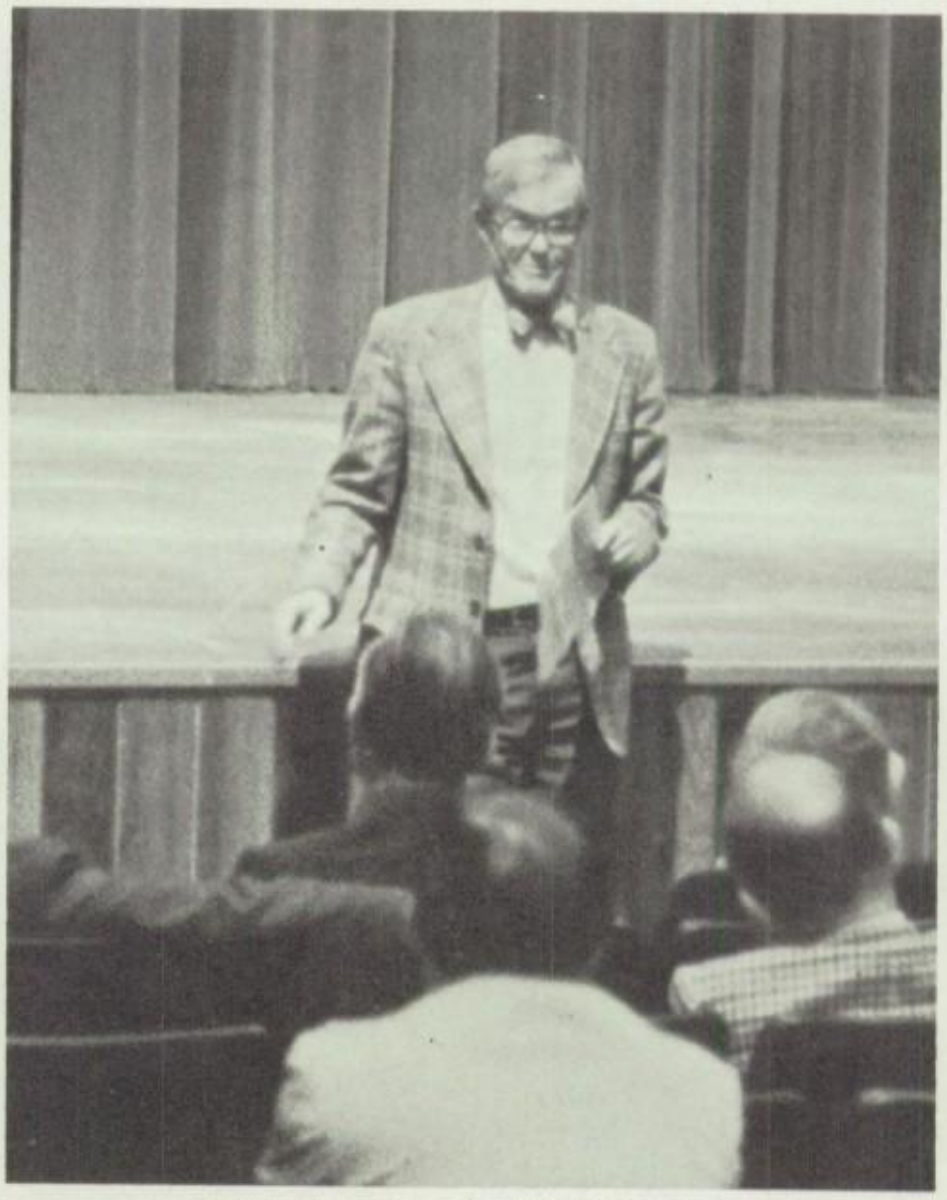
Under the organization of sponsor Mr. Andrew Mailer and student President Rick Rasansky, 230 skiers traveled to Snowbird, Utah and its more than 30 slopes on March 17. The trip's success was due mainly to the wholehearted participation by the students in both the skiing and apres-ski activities.

"The Ski Club gives me the opportunity to go out and do one of my favorite things. It allows me to go skiing when I otherwise would be unable to."

— John Broom '79

Richard Leakey

On February 22, St. Mark's was honored by a visit from the internationally famed anthropologist Dr. Richard Leakey. The noted Kenyan scientist spoke on both his own personal achievements, and on the history of anthropology in general. Dr. Leakey spent the remainder of his stay answering students' questions on anthropology.



Ted Sanford of F.W.C.D.

Tom Read of St. John's School

Ten Year Committee

A committee of seven educators reviewed the school's ten year self-evaluation last October 31 through November 2. Members of the committee were Messrs. Ted Sanford, Frank Kemerer, Eric Johnson, Dick Eckdahl, Tom Read, Tony Lawson, and Mrs. Loeffler. The committee reviewed the strengths and weaknesses of the St. Mark's community and made suggestions as to how the school might improve itself.

Marque

The MARQUE is the St. Mark's literary magazine, published in May. Led this year by Co-Editors Stephen Peskind and Scott Segal, and faculty sponsor Ingrid Yollick, the MARQUE consisted of poems, short stories, and prose written by students in both Upper and Middle schools. The MARQUE also included student artwork and photography.

"The MARQUE enhanced my knowledge of literature. Learning to judge other people's work gives you new insights about your own. Judging it from another viewpoint rids you of prejudices that can handicap your writing."

— Steve Peskind '80

Under President Andrew Landisman, Vice-President Jim Davis, and sponsors Mr. Hunter Nibert and Mrs. Judith Denton, the Problem Solving Club solved problems of greater difficulty than those encountered in their regular math courses. Landisman and Davis placed well in several tournaments, and the performance of the entire team was outstanding. The club also experimented with the school's two computers.

"The club is a useful forum for people interested in a math-related career."

— Jim Davis '80

Problem Solvers

President Ken Kattner

"The Astronomy Club gives me an opportunity to increase my knowledge of celestial events and bodies."

— Camm Maguire '80

Astronomy Club

The 1978-79 Astronomy Club experienced another successful year under the leadership of sponsor Mr. William Dexter, President Ken Kattner, and Vice-President Errington Thompson. Other officers included Rueben Jacobs as treasurer and Dan Northcutt as Secretary.

Formed to encourage amateur astronomy, the organization presented its annual Christmas and Halloween shows in addition to special shows on stellar evolution and laser scanning systems.

The club's facilities proved their worth when President Kattner tracked Melpomene, the fifth largest asteroid in the solar system, and obtained original data on an object that had never before been seen by human eyes.

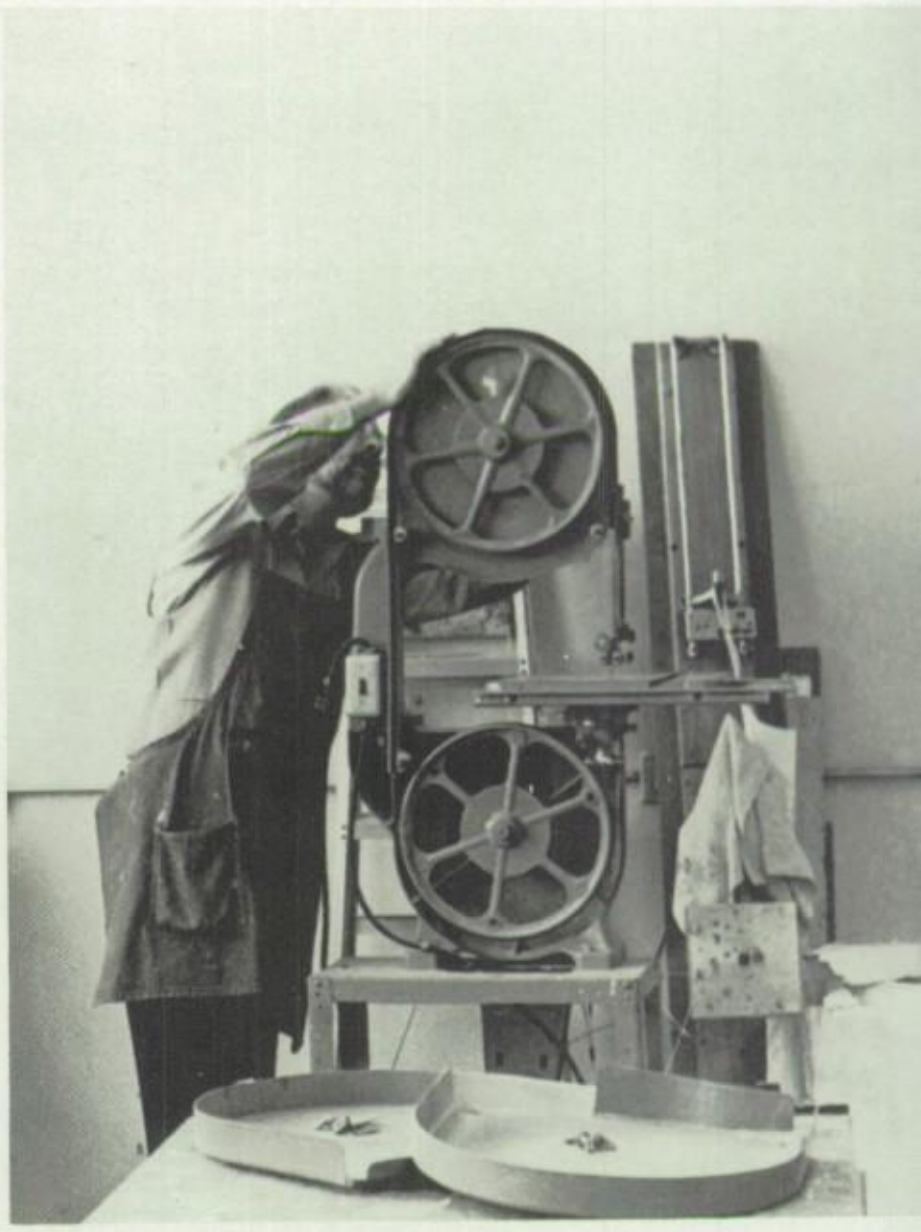
The Astronomy Club presented tours and presentations for groups outside of the St. Mark's community in addition to their regular functions.

Art

This year's art program began with the attendance of Mssrs. Herb Rogalla and William Kysor at the Andover seminar on art instruction and appraisal. The year was highlighted by a number of exhibitions in the Library gallery, Davis Hall, Decherd Center, and the lunchroom. Displays included logo designs by eighth graders, wilderness drawings by underclassmen, and the drawings and logos of senior Frank Rolfe. The exhibits reflected the growing interest in the visual arts in the St. Mark's community.

"Drawing has provided me with not only a life-long interest, but a career. Through my experience at St. Mark's I have decided to pursue a career in graphic arts, and to continue my studies in design."

— Frank Rolfe '79



Environmental Council

With the guidance of sponsor Mr. Jack Hollon, President Ken Salyer and Vice-President Jeb Beckwith, the Environmental Council continued its paper and aluminum recycling programs and conducted an assembly to inform Marksmen of environmental problems. The Council provides an opportunity for students to learn first-hand the issues and applications of ecology.

"The Council was really a workshop in which to practice the things we learned in our science courses."

— Ken Salyer '79

Wind Energy Club

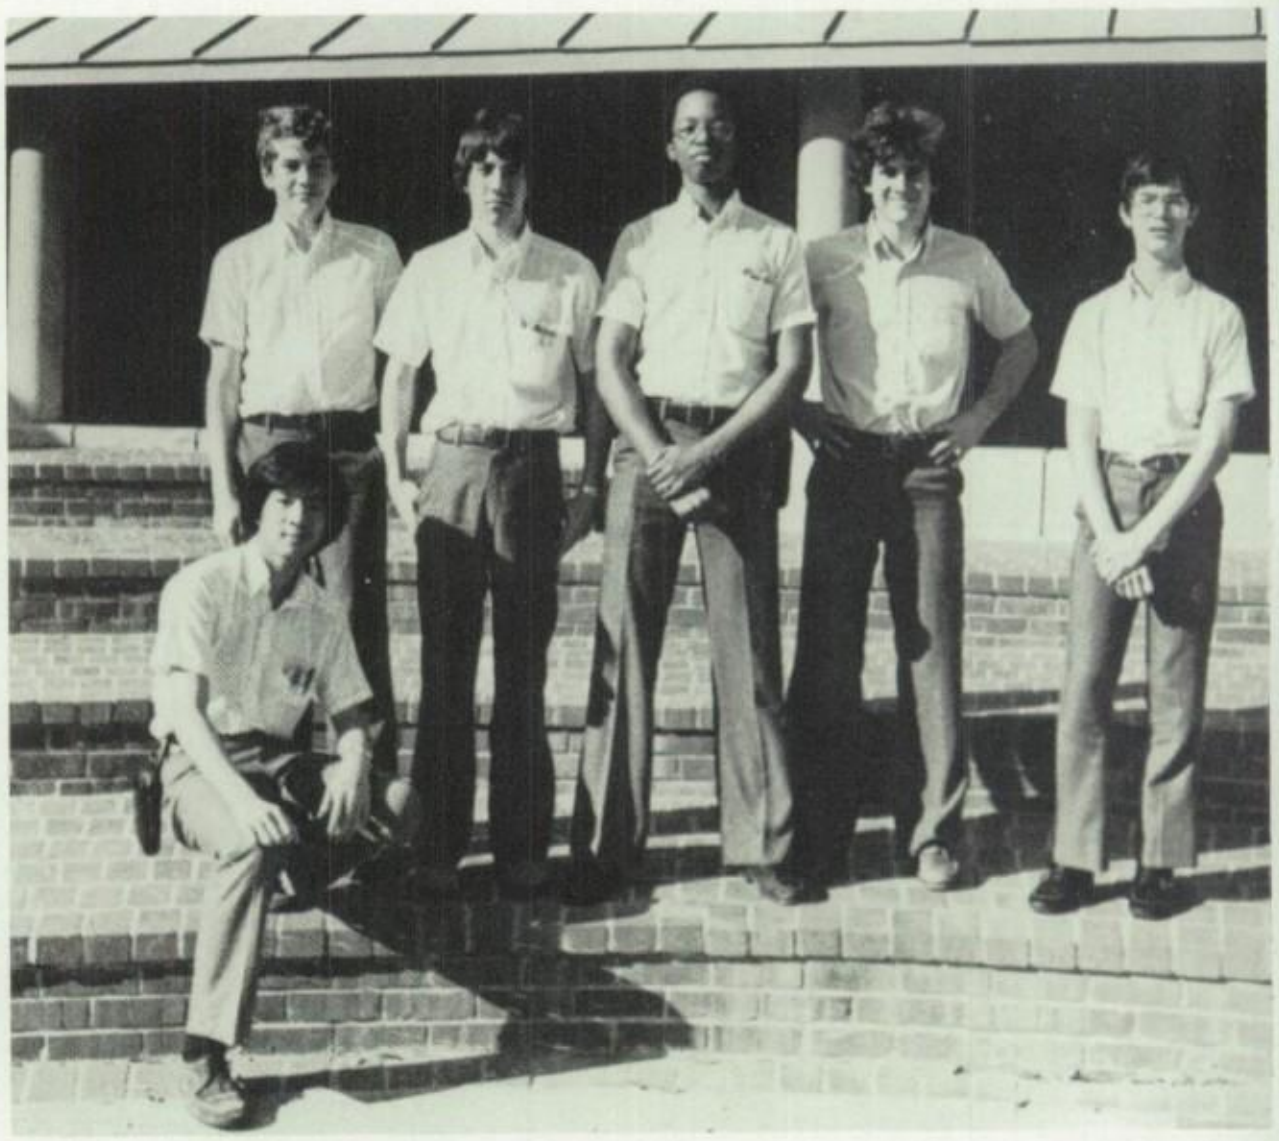
An offshoot of the Environmental Council, the Wind Energy Club studied the applications of wind energy as a solution to our energy needs. The club constructed a windmill in the math-science quadrangle after an intense study of the mechanics involved.

This year's members included President Charles Munson, and Vice-President Kenny Hersh. Mr. Harold Van Schaik served as faculty sponsor.

"The club brought together a diverse group of talents intent on a common goal."

— Kenny Hersh '81

Chess Club



Sponsors Dean Baird and Mike Keyton, in addition to President Oscar Estell, led the Chess Club to a productive year. The members, composed of individuals interested in games of strategy, placed highly at several area tournaments, and also enjoyed such games as backgammon, which gained an enormous popularity.

"The Chess Club allows me to compete with individuals of similar interests. I know of a number of members who I can go against at any time."

— Oscar Estell '79

Gun Club

The Gun Club, which has come to be known as the Hunting and Fishing Club, is aimed at promoting the safe handling and knowledge of firearms, as well as providing members with an opportunity to improve their skill through experience. This year's club was led by sponsor Roger West and President Steve Kattner.

"The Hunting and Fishing Club allows me to meet people who share my interest, and to help those who are less experienced than myself."

— Peter McKenzie '79

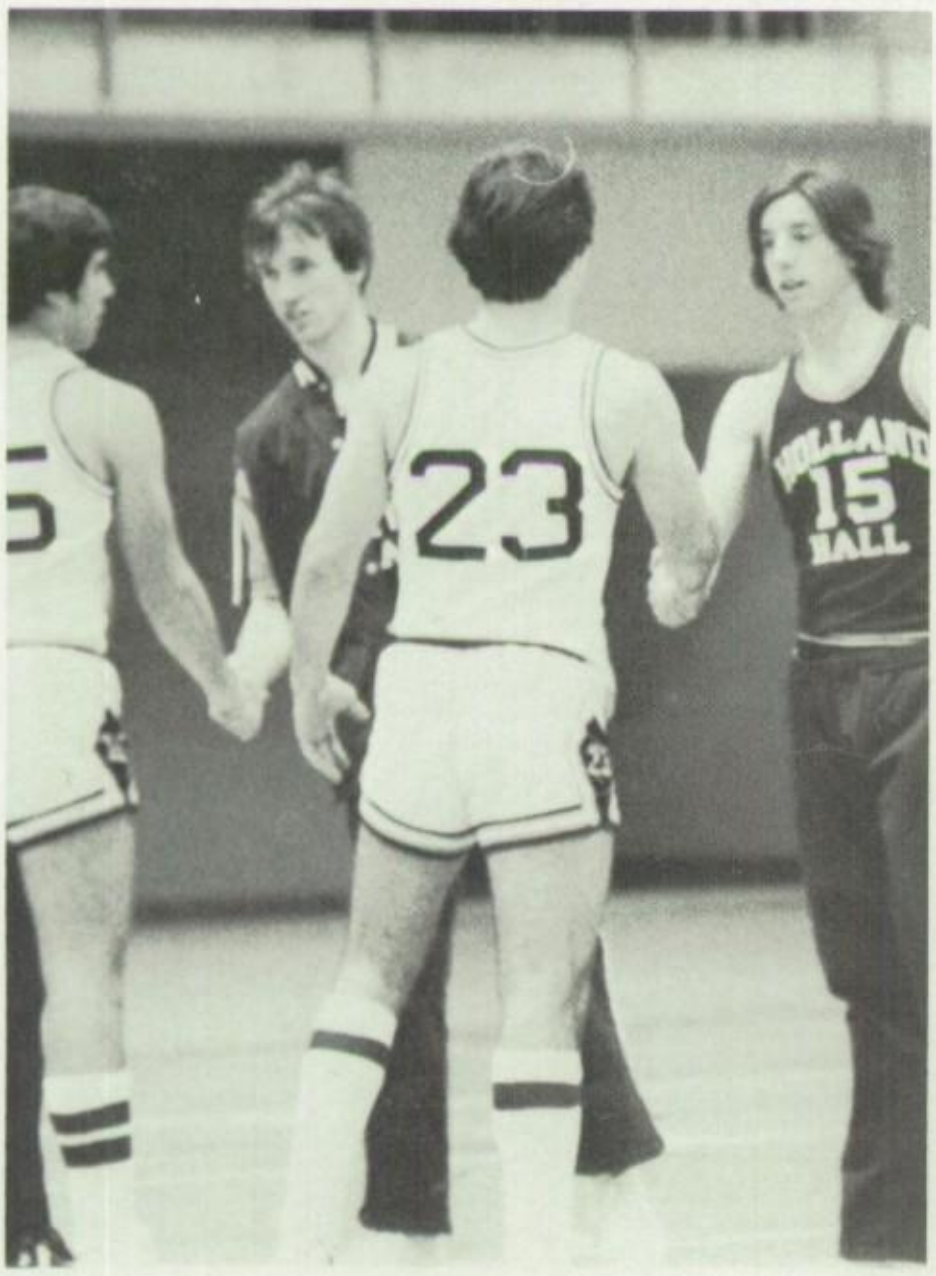
Debate Club

Jon Mosle and David Fields

This year's Debate Club featured some of the most impressive performances in the Club's short history. Under the guidance of coaches George Edwards and Stephanie Barta, the team compiled a huge amount of victories in both local and regional tourneys. One of the outstanding achievements was seniors Jon Mosle and David Field's first place finish in the prestigious Harvard Debate Tournament. Other debate and individual event standouts were seniors Louis Friedman, Jason Kinchen, Eric Yollick, and David Stoddart, and juniors Scott Segal, David Greenblatt and Jamie Spellings.

"Debate has improved my public speaking."

— Scott Segal '80

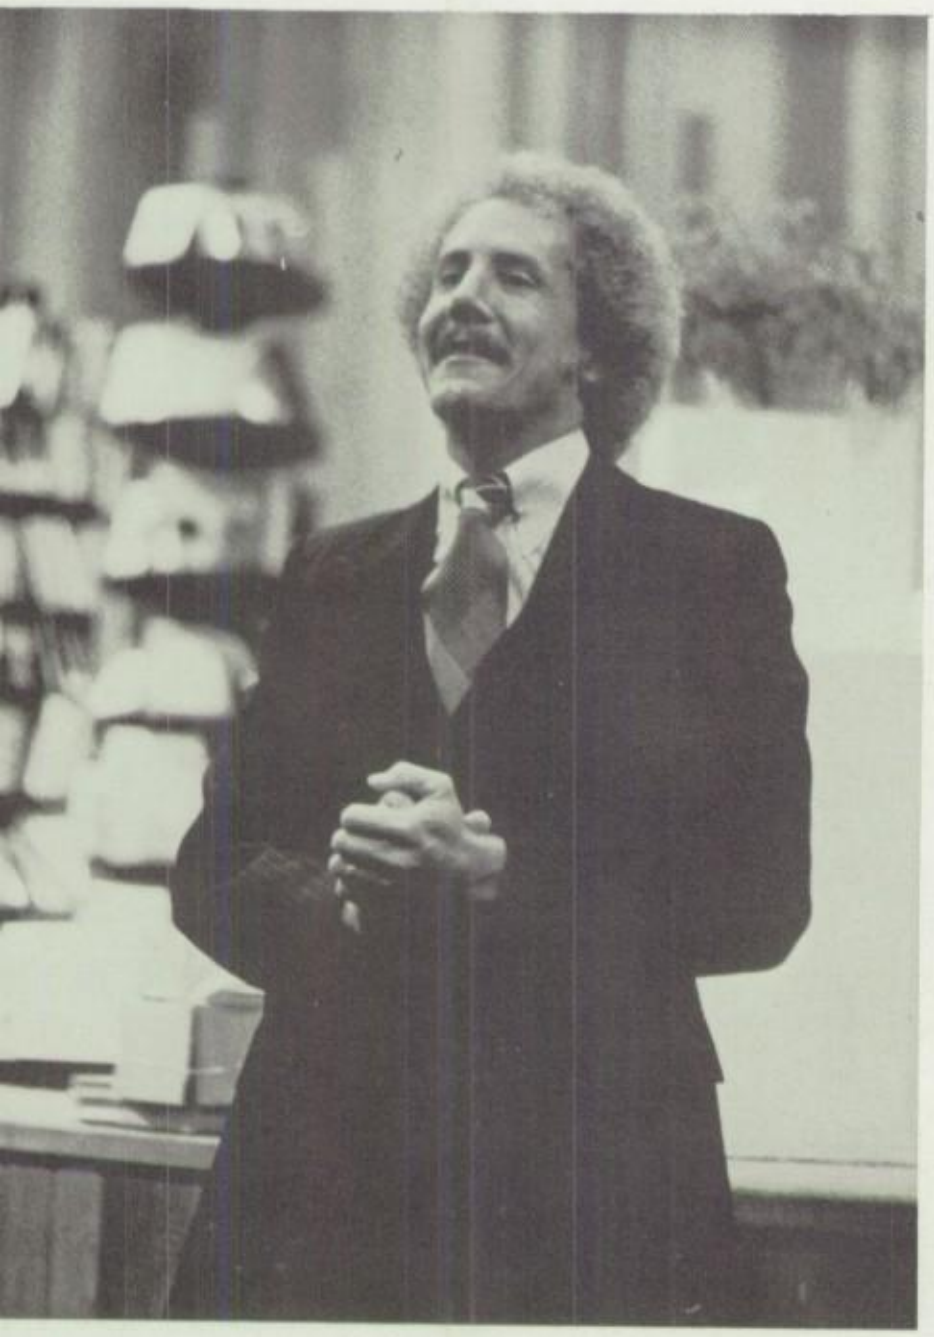


Lettermen's Club

The Lettermen's Club serves as an organization for all those lettering in one or more varsity sports. The club's major responsibility is the Athletic Banquet, held at the end of each year to recall sports successes and honor outstanding players and coaches. This year, Ken Merten was the director of the Lettermen's Club.

"Some people might brand the club as superfluous, but it serves its purpose by uniting the sportsmen into one unit irrespective of their particular sports in order to provide a voice for them, and to give them recognition for long hours of hard work and sacrifice."

— Brad Urschel '79



Assembly Speakers

St. Mark's experienced a number of interesting and knowledgable assembly speakers this year. Of particular note were the visits of Dr. Harold Urschel, Mr. A. C. Greene, Dr. M. F. Graham, and Mr. Steve Seay '68, who recounted the history of Pompeii.

This year's assembly speakers were a valuable addition to the students' awareness of their society. By presenting enlightened views of many current events, the speakers provided the student body with the facts necessary to form their own opinions.

I found the morning assemblies to be as nformative as the morning paper."

— Bill McLain '80

Remarks-a-Lot

The Remarks-A-Lot, the Middle School newspaper, explains various aspects of school life, reports on such events as movies, sports and books, and provides puzzles, cartoons and contests for its readers. Led by Editors Barry Porter '83 and Scott Gregg '84, and sponsors Roberta Mailer and Curtiss Smith, the monthly newspaper provides an introduction to journalism for St. Mark's students.

"The Remarks-A-Lot is a great learning experience; I have been exposed to a whole new area of school life."

— Barry Porter '83

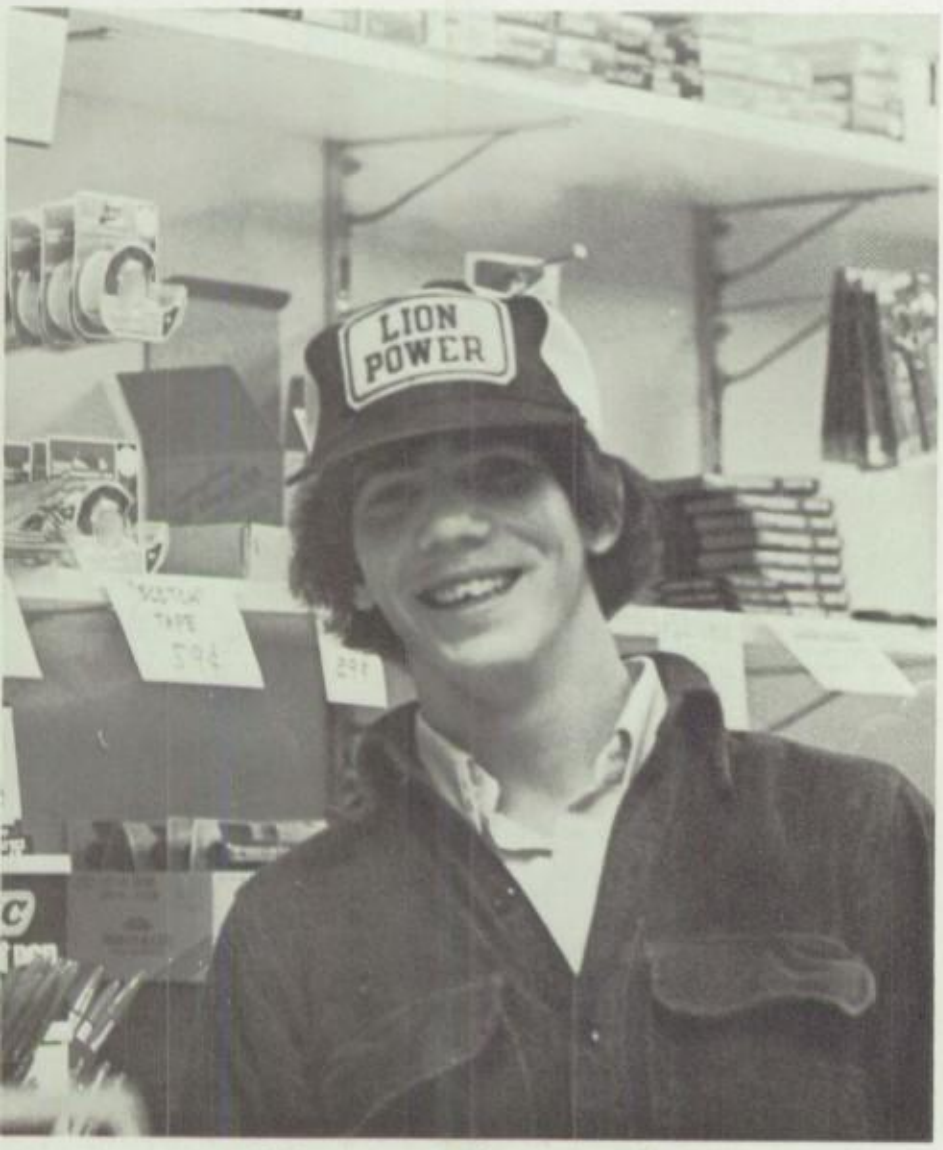
Whiz Quiz

Under the organization and guidance of sponsors Mr. Sherman Zimmerman and Mr. Dean Baird, the Whiz Quiz Team remained a strong one as it entered its second year of existence. Although not advancing to the finals, the team won a majority of their matches, held at Dallas Christian College. This year's starters were John Calhoun, Pat Cronin, Brad Richards and David Stoddart.

"Whiz Quiz allows me to both expand and demonstrate my knowledge of many diverse fields."

— John Calhoun '80

Bookstore



Manager Mike Cassidy

Under the guidance of sponsor Jim Clements and Manager Mike Cassidy, the Bookstore had its finest year ever. Through the sale of a more diverse quantity of merchandise, gross profits were higher than that of any preceding year. The Bookstore, which attempts to provide students with fair prices and at the same time produce funds for the school, offered a wide variety of new products, from Pentel pencils to Timex watches. A wide variety of clothing was also available to the student consumer.

Aiding the Bookstore this year were a group of mothers who volunteered their time to work behind the counter. This allowed the store to remain open for longer periods of time each week, and in this way increase sales.

Band

Approaching the hundred member mark, the Band continued its tradition of involvement in numerous facets of school life. Conductor Mr. Mario Foster, President Steve West and Vice-President Phil Disraeli led the Band at football games, pep rallies, the ISAS Arts Festival at Casady, and the Christmas and Spring Concerts. Several members contributed to the Can-Paign through performing at the Folk Concert held in December.

The band plans to produce a fourth album and the Stage Band is hoping to travel to Las Vegas in order to perform.

"The Band is a very closely knit group, really a social club that converse by and around music."

— Phil Disraeli '79

"Mr. Foster has found a perfect combination of work and pleasure. The students really enjoy it."

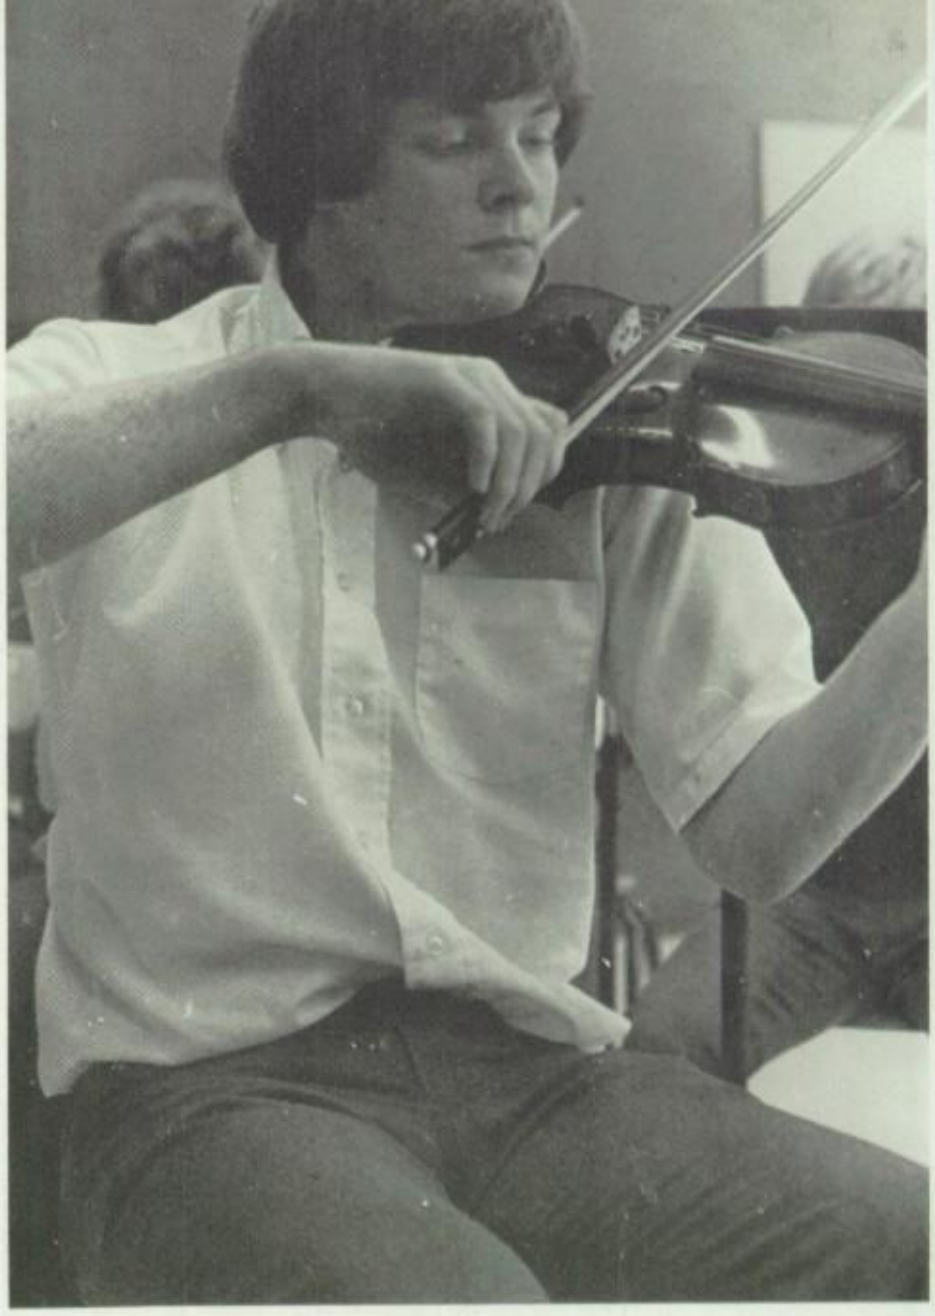
— Bob Jenevein '80

Orchestra

This year's Orchestra, under the leadership and effort of President Tim Monnich, Concertmaster Brad Richards, and Conductor Yves L'Helgoual'ch, had one of the best years in its ten year history. The Winter Concert, with selections by Gershwin and several Russian composers, was an outstanding success, as were the March Solo Recital and the Spring Concert. The excellence of the Orchestra was also reflected in the fact that Concertmaster Brad Richards achieved the position of Concertmaster of the Greater Dallas Youth Symphony.

"The Orchestra has aided its members in both their technique and appreciation of music."

— Michael Weed '80

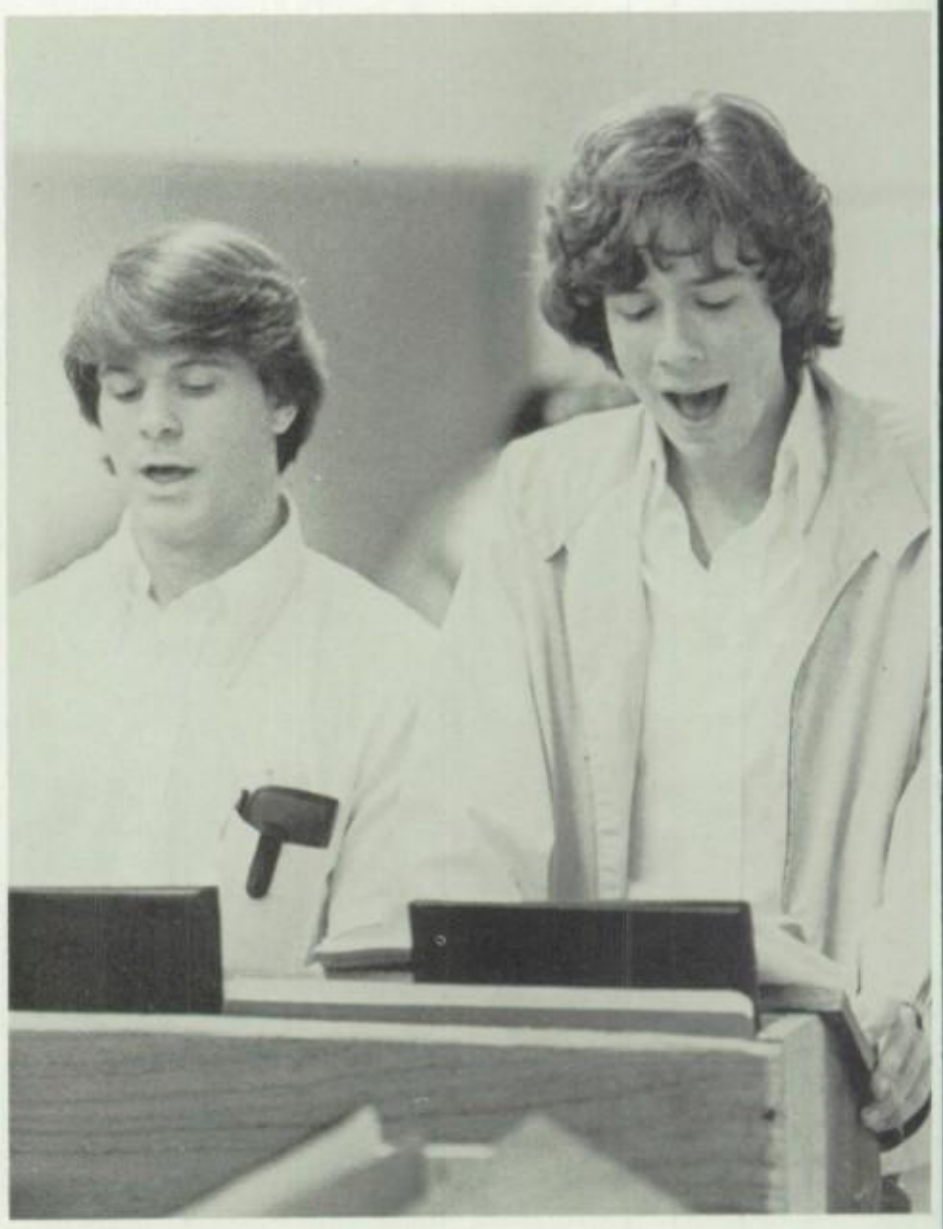


Junior Brad Richards

The orchestra provides me with an opportunity to interact with my classmates in a non-academic environment. It allows me to meet people I would have otherwise never been exposed to."

— Brad Richards '80

Choir and Glee Club



The Choir and Glee Club enjoyed a productive year under the guidance of Mr. James Livengood, Head Chorister David Stager, and President David Lauten. This year's performances included two Evensongs, the traditional festival of Lessons and Carols, caroling at Medical City and Northpark, and participation in the ISAS festival. It featured selections from Haydn, Oliver, Missa Sancti, and Nicolai.

"I think that the Choir and Glee Club accomplished a great deal this year. We performed well, and worked well as a unit."

— David Lauten '79

THE CHURCH HYMNS FOR THE YOUNG
[383]

"I really enjoyed being a member of the Choir. I love to sing, and enjoyed having the opportunity to perform in front of so many diverse groups."

— Charlie Sweet '79

"I feel that the quality of the material we sang this year was superior to the past, and the Choir met that challenge."

— John Clutts '81

Film Society

The St. Mark's Film Society, in its eleventh season, enjoyed a financially successful year. Under the guidance of President Al Gilbertson, Vice-President Charles Sweet, and Technical Coordinator David Clowes, the Film Society presented such movies as "And Now for Something Completely Different", "Casino Royale", "Return of the Pink Panther", and "American Graffiti". Aside from such past innovations as assembly previews and advance ticket sales, one especially memorable promotional technique was "half-price toga night", at which moviegoers were encouraged to wear costumes in conjunction with the Hockaday "Toga Party". Also attracting large audiences was the Film Festival, held in early February.

President Al Gilbertson

James Bond in "Thunderball"

"The Society has had trouble in the past in getting people to attend their features. This year we attracted a larger audience due to the presentation of higher quality films, and movies which were more attractive to the student body."

— Paul Fisher '79

Drama Club

The St. Mark's Drama Club enjoyed a successful year under new director, Rod Blaydes. The 1978-79 season opened in November with a widely attended production of "A Company of Wayward Saints", which featured innovative staging.

February saw the revival of the One Act Play Festival, the first St. Mark's production to be performed in the round. The one acts were entirely student directed and two plays were taken to the I.S.A.S. festival.

The Drama Club drew in talent from Hillcrest, Highland Park and Hockaday, many of whom had participated in St. Mark's Summerstage the previous summer.

Josh Hirsch and Sharon Hendricks

"Drama this year is different yet better than that of the past."

— David Bucy '79

David Bucy

"The Drama Club was special this year because under the leadership of Rod Blaydes the club experienced a renewed sense of unity lacking in previous years."

— Carl Prokesh '79

"St. Mark's theater is a great learning experience in that it provides an opportunity to gain experience through actual work on productions. The work I've done at St. Mark's has convinced me to pursue theater in college as well as community and professional theater."

— Brandt Miller '79

Remarker

The REMARKER, the school newspaper, publishes bi-monthly to provide the St. Mark's community with an awareness of the events and personalities around them. Under Editor-in-Chief David Stoddart, and Managing Editor Eric Yollick, the REMARKER had a successful and productive year. With sponsor Andrew Mailer, the REMARKER was again awarded an NSPA "All-American" rating, as well as receiving numerous honors from Quill and Scroll and the *Dallas Times Herald.*

"The REMARKER was a learning experience. I am grateful to have had the opportunity to benefit the school and yet benefit myself at the same time."

It is mailed free of charge to anyone interested in St. Mark's. Entered as third class mail at the U. S. Post Office under permit No. 7721, October 9, 1968.

Marksmen

This year's MARKSMEN attempts to capture the 1978-79 school year in a realistic and aesthetically pleasing manner. Under Editor-in-Chief Frank Rolfe, the yearbook experimented with creative effects new to the publication. The design of several of the sections, most notably that of activities, was an original conception of the 1979 MARKSMEN staff. Many long hours of hard work have been put into this yearbook and we, the staff, are proud of our efforts.

"The MARKSMEN has been one of the most meaningful experiences I have received at this school. As Editor-in-Chief, I have learned to delegate authority and to meet deadlines. I have also learned a marketable skill in graphic arts."

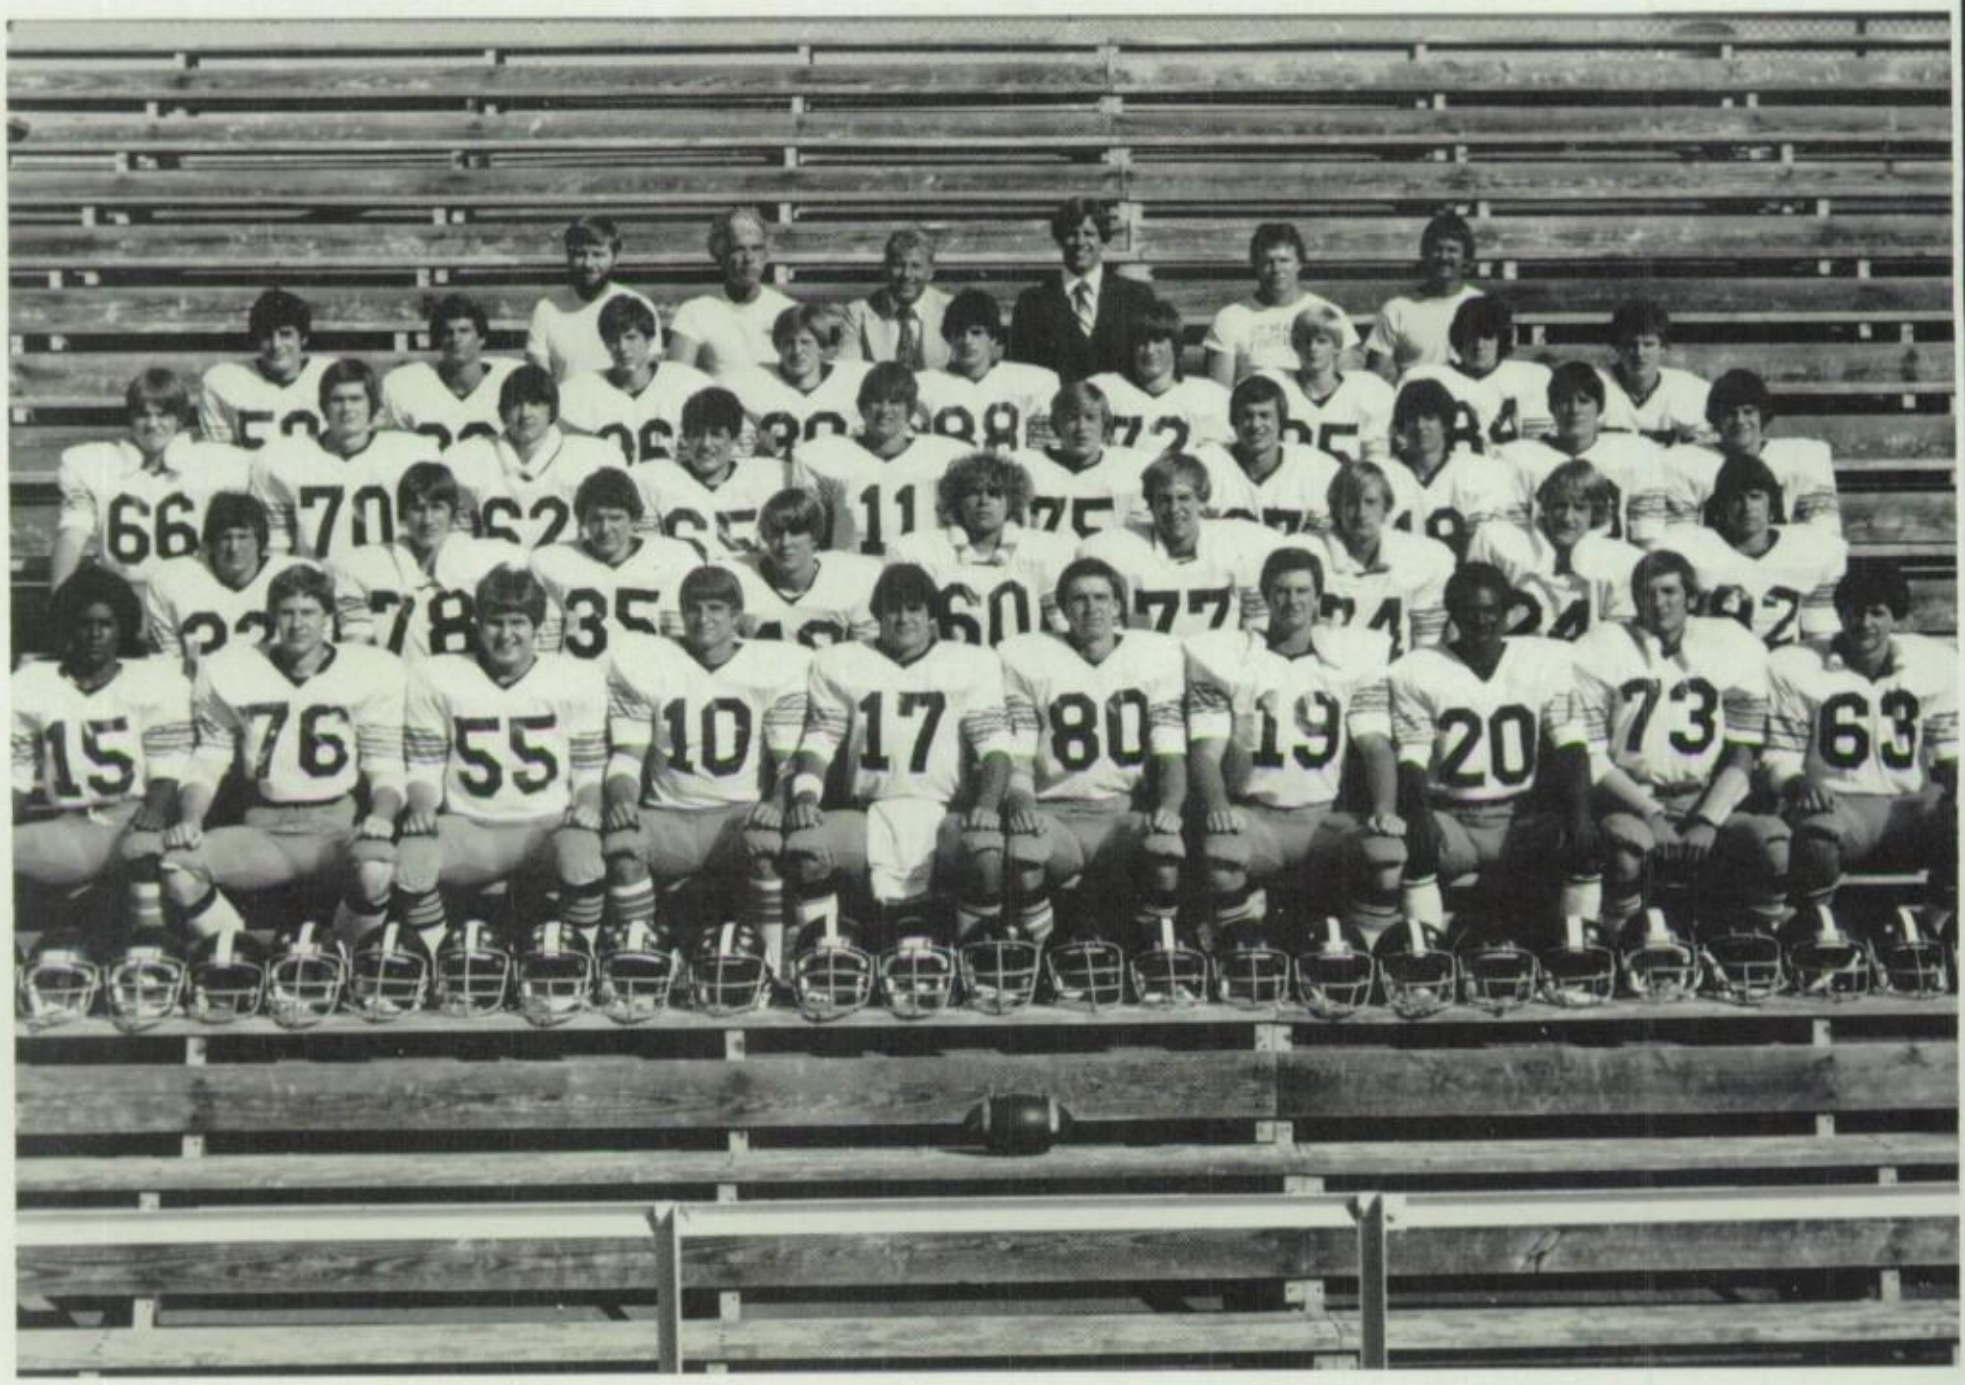
Football

With a 6-3 record and what coach Charles Quisenberry termed "the toughest schedule ever," St. Mark's has good reason to be proud of this year's Football Team. The spectacular victories over Strake Jesuit, which competed this year for the TCIL State Championships, and Fort Worth Country Day, this year's TISC champions, were hard-won and compared with those over McGregor and Greenville in previous years. This year's team was characterized by a sense of unity and sacrifice evident both in and out of practice.

Offensive team standouts were seniors Captains Brad Urschel, Craig Caudle, and Clay Oliphint, seniors Bud Brooks and Tim Monnich, junior Jay McAuley and sophomore Larry Roach. The defense was led by juniors Smith Stollenwerck, Robert Keeler, Wallace Hall, Bob Jenevein and senior Peter McKenzie.

The St. Mark's mothers and Cheerleaders were an invaluable aid to this year's successful season. They provided support at the games and organized victory parties to abate excitement in a friendly atmosphere. The St. John's Bus Trip was a venture sponsored by the Cheerleaders intended to provide support at an important away game.



First row (L to R): Fisher, Nelson, West, Urschel, Caudle, Oliphint, McKenzie, Belcher, Hosek, Brooks. *Second row:* Seidel, Toombs, Baker, Lynch, Davis, Monnich, Fojtasek, Keeler, Hall, *Third row:* Van Schaik, Saunders, Monasco, McAuley, Stollenwerck, Matthews, Jenevein, Soears, Stewart, Sachs, *Fourth row:* Mankoff, Fogelman, Roach, Atkins, Beckham, Boswell, Curlee, Pickens, Wilkie, *Fifth row:* Donaldson, Ashby, Quisenberry, King, Oliphint, Zimmerman.

Dunbar 3-0

St. Mark's opened its 1978-79 football season with a win over the Lubbock Dunbar Panthers. The game was fairly even statistically with the Lions rushing 115 yards to a Dunbar 148. Both quarterbacks threw for 59 yards with Senior Craig Caudle completing 10 of 13 passes in the second half. Turnovers favored the Lions with the Panthers fumbling 10 times and recovering 5 while the Lions only lost one of their two fumbles. The game was decided by a 30 yard field goal kicked by sophomore Larry Roach in the fourth quarter.

Newman-Smith 20-21

The Lions lost their second game of the season despite their valiant efforts in the final quarter. The Lions scored on their first offensive play with a 17 yard touchdown run by Brad Urschel. Larry Roach kicked the extra point for an early 7 point lead. The second quarter was a thwarting of the Lion gains. Five fumbles and many penalties allowed the Trojans to regain the lead. With 8 minutes left in the game, quarterback Caudle threw a 76 yard scoring pass to Clay Oliphint. The field goal kicked by Roach made the score 21-14. Another scoring strike from Caudle to Oliphint made the score a close 20-21. Another Lion attempt to score proved fruitless and the 4-A Trojans walked away with a hard-fought victory.

Nolan 17-6

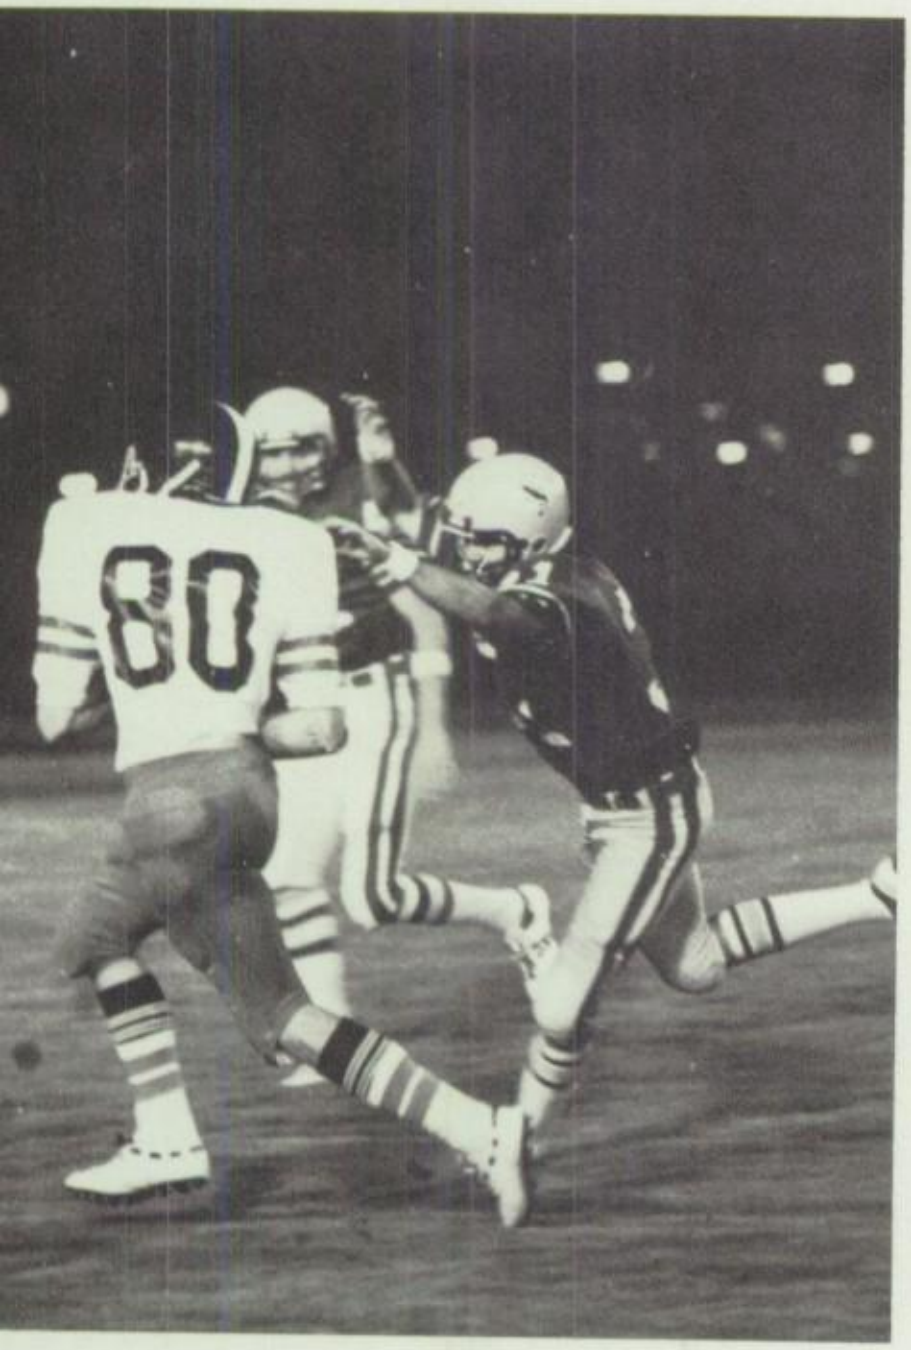
The second home game was a 17-6 victory for the Lions. The first quarter was dominated by the Lions who continually penetrated the Nolan backfield, thwarting passing and rushing. The first Lion score occurred in the second quarter when Urschel capitalized on a Viking penalty, and ran 60 yards for a touchdown. Roach upped the score with a field goal. With little more than a minute left in the first half, the Lions scored a 26 yard field goal making the halftime score 10-0. Another touchdown and field goal late in the third quarter raised the score to 17-0. The only scoring drive by Nolan came in the fourth quarter with a 13 yard touchdown. The Vikings failed on their attempt for two more points and the score remained 17-6.

"Give 110% became the team's motto during practice and it stuck the rest of the year.

What the team lacked in talent and personnel, it made up for with its outstanding character."

— Brad Urschel '79

Moments before the snap

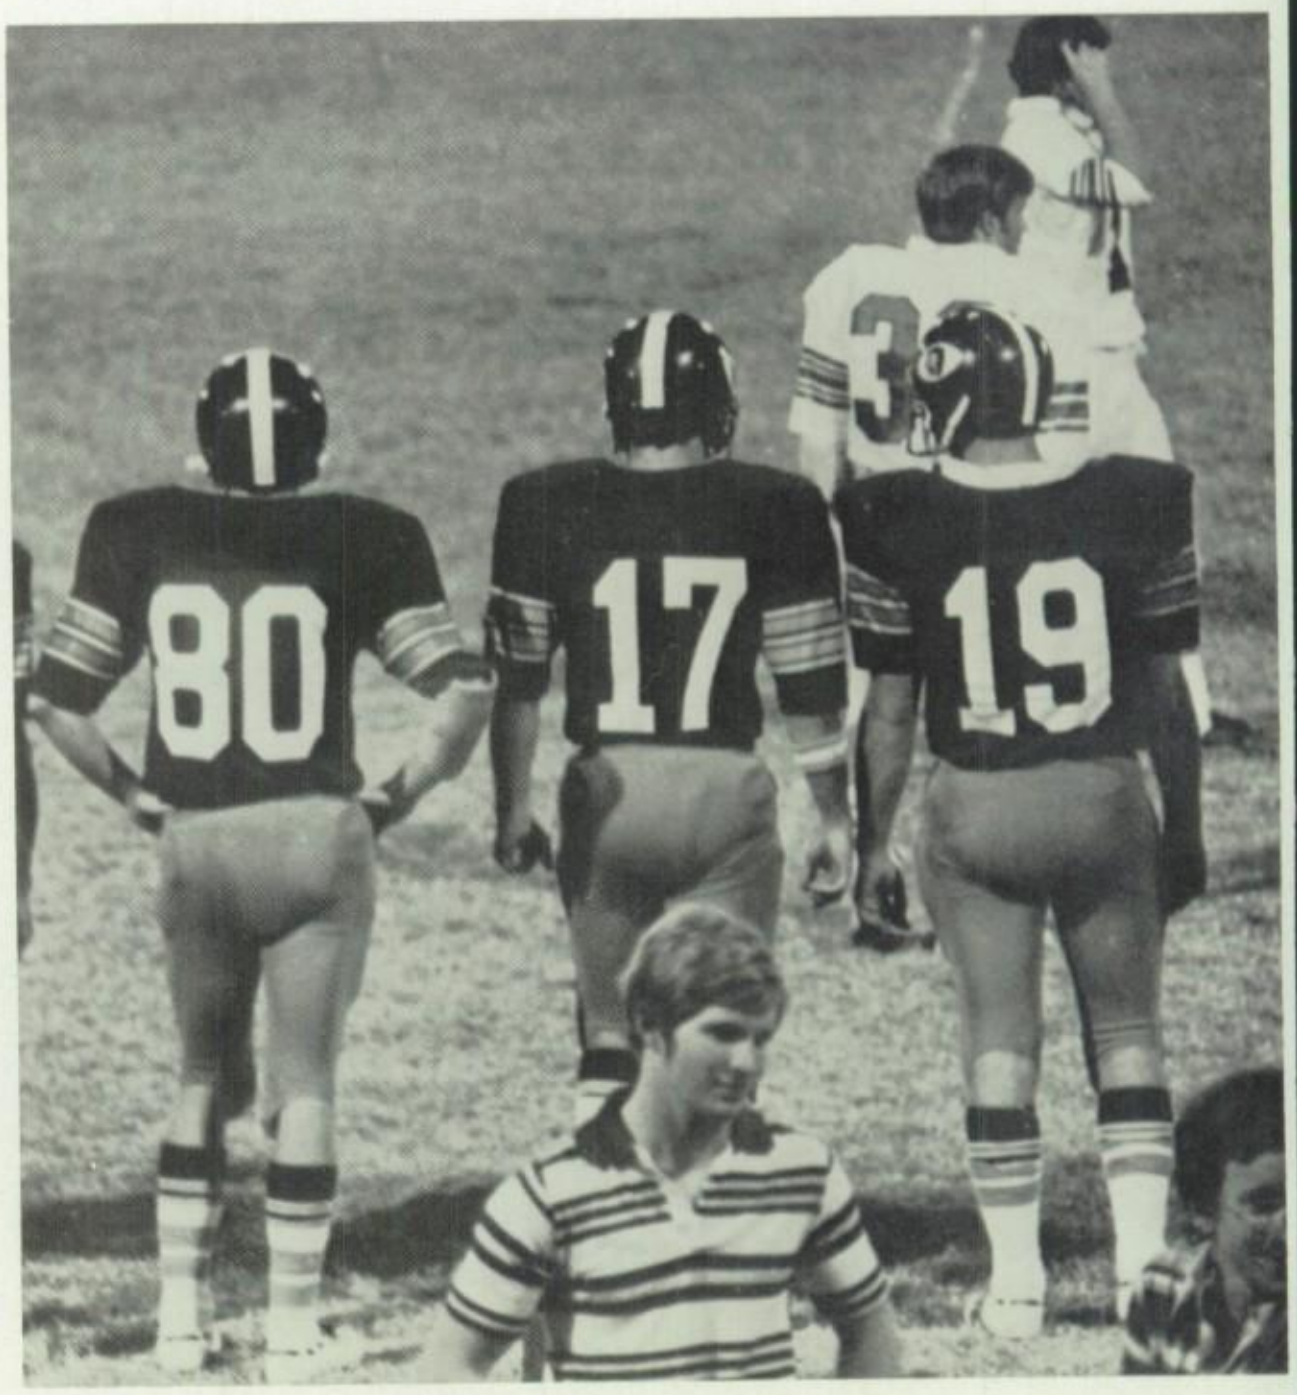


Bishop Lynch 35-7

The St. Mark's Lions travelled to Bishop Lynch on September 29th for their third win of the season. The first half of the game was dominated by St. Mark's. Junior Wallace Hall recovered a Friar fumble at their 30 yard line, setting up an Urschel touchdown. The second quarter witnessed two scorings by the Lions. Senior Brad Urschel scored both touchdowns, and sophomore Larry Roach successfully converted both extra points. The Lions opened the second half of the game with a 62 yard touchdown run by Clay Oliphint. The score then stood at 28-0. The only Friar score came on a 29 yard pass. Smith Stollenwerck completed the final scoring drive of the Lions with an eight yard touchdown run, and Bud Brooks kicked the extra point. The final score was 35-7, for the most remarkable victory over Lynch in St. Mark's history.

Notre Dame 31-7

The St. Mark's Football Team added a fourth victory to their season against the Notre Dame Knights. Key long yardage plays highlighted a St. Mark's dominated game. Stan Stewart exploded off tackle for a 56 yard touchdown early in the first half. a second quarter drive by Darrell Belcher gained the yardage necessary for a St. Mark's touchdown. Craig Caudle added another six points with a quarterback sneak in the final period. Excellent defense by the Lions held the Knights to 135 yards and one touchdown in the third quarter.



"One thing that we learned this year as a team is that you have to care just as much for your teammates as you do for yourself."

— Darrell Belcher '79

St. John's 7-10

The St. Mark's Lions suffered their second loss of the season to the St. John's Rebels. After working out offensive problems in the first quarter, the Lions scored on a touchdown by Craig Caudle and an extra point by Larry Roach. The Lion defense held the Rebels scoreless, holding them to only 3 first downs and 34 yards. Aided by a Lion penalty, however, the Rebels went on to score and tie the game in the third quarter. Most of the fourth quarter was controlled by St. John's, which with six minutes left kicked a field goal to take the lead and the final victory. The Lions were supported by members of the St. John's Bus Trip, an outing sponsored by the Cheerleaders.

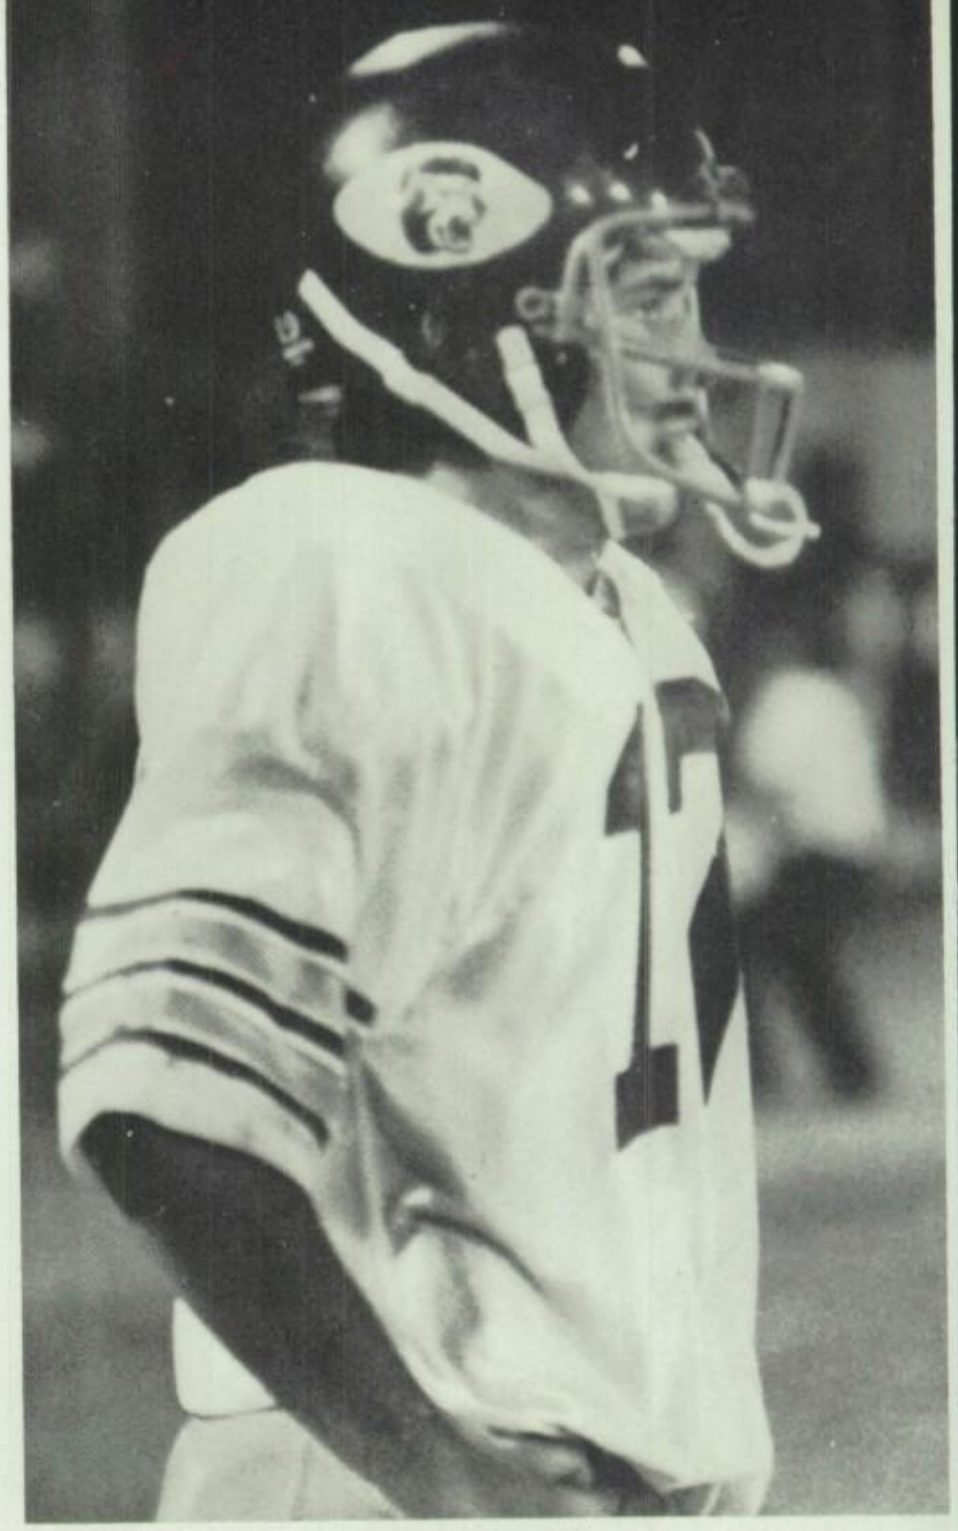
Bishop Dunne 13-28

St. Mark's seventh game of the season was against the Bishop Dunne Falcons, who emerged victorious. The opening drive by the Falcons resulted in an early seven point lead. Later, the Falcons successfully advanced 84 yards for a score, increasing their lead to 14-0. They scored again on their next possession. Early in the third quarter, the Falcons moved 72 yards in four plays, widening the gap to 28-0. The fourth quarter was controlled by the Lions. Belcher scored on a run, but the Lions were unable to convert the extra point. With a minute and a half remaining, Oliphint caught a touchdown pass from Caudle. Larry Roach kicked the extra point to end the game 28-13. The game was called with 56 seconds remaining because of penalties.

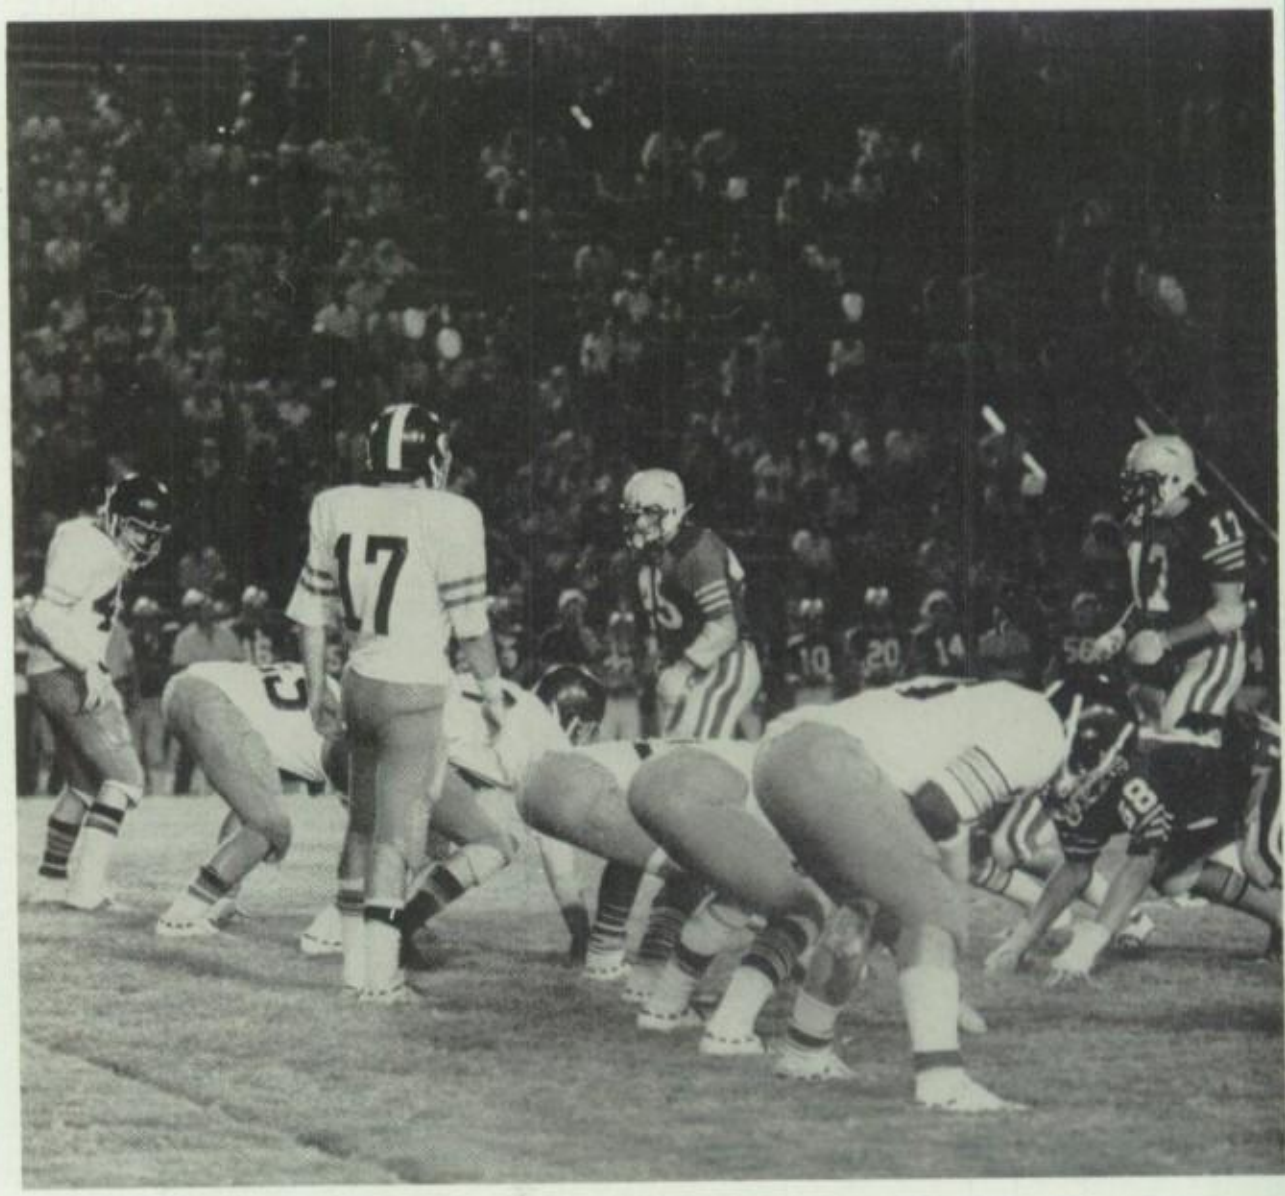
Senior Brad Urschel

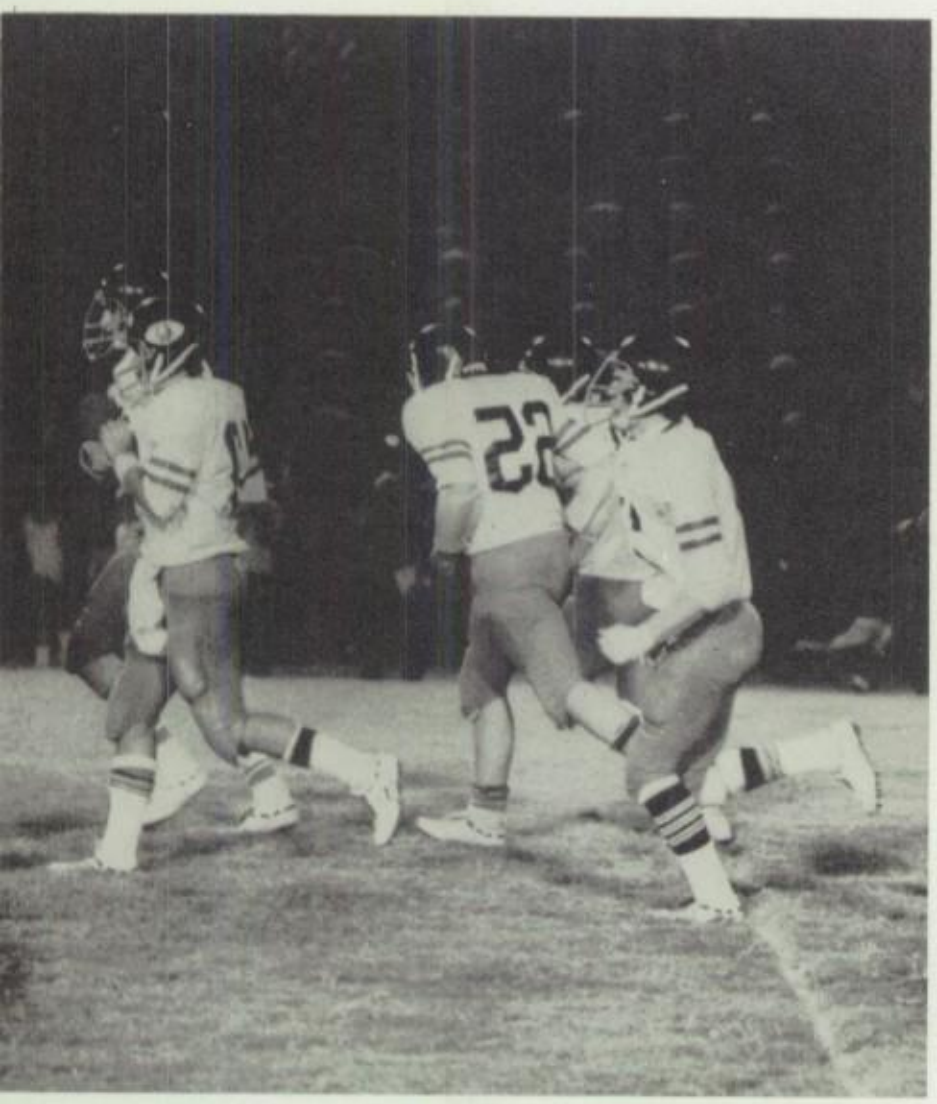


Craig Caudle

Strake Jesuit 28-17

With a strong defensive effort, the Lions defeated the defending Texas Catholic Interscholastic League Champions. Touchdown passes to Urschel and Oliphint led the Lions to a 14-3 halftime lead. Darrell Belcher added another touchdown in the third quarter. The Crusaders were able to capitalize on a couple of Lion mistakes in the third quarter, but St. Mark's came back in the fourth quarter to score another touchdown and win 28-17.





Ft. Worth Country Day 37-16

The St. Mark's Lions ended their successful season with a win over the Ft. Worth Country Day Falcons. The Falcons scored on their second possession on a drive that included a 57 yard run. They later kicked a field goal, and opened the second half with another scoring drive. The conversion, however, was missed. Spectacular plays by Oliphint and Urschel resulted in the first Lion score of the game. Peter Lynch made the two point conversion. The Lions went on to score 29 more points in the last 10 minutes. The Falcons were held scoreless for the remainder.

"The whole team worked very hard, and was willing to pay the price. Members of the entire team were close, and the sophomores and juniors really came through."

Cross Country

Facing the fiercest and most intense competition in the history of the team, a very young St. Mark's Cross Country squad fared well against perennial rivals Greenhill, Jesuit, and St. John's. There were no members of the Junior class on this year's team, so the varsity was composed of three well seasoned senior runners, captain John Harris, Mike Herndon, and Jason Kinchen, and four sophomores, David Upton, Frank Ford, Adrian Marengo-Rowe, and Carl Oman. Other significant contributions were made by seniors Greg Baker and Charlie McCreary, and freshmen Alan Fiuzat and Lee Jamieson. The harriers began the season knowing that they were underdogs to the more experienced S.P.C. teams. Consequently, they worked harder to establish a good endurance base by running long, hard, continuous workouts at the beginning of the season. As S.P.C. approached, they switched to fast repeats to build speed. With these training strategies and the coaching of Andrew Mailer and Curtis Smith, the fairly inexperienced squad had a strong season.

The Lions placed third at the Jesuit Invitational, where Herndon recorded the fastest time of the year, 10:41. Four members of the team, Upton, Ford, Herndon and Oman, qualified in the A.A.U. Junior Olympics city meet for the Regional Championship meet. The team placed fourth in S.P.C., and Upton, Marengo-Rowe, and Ford placed in the top twenty to receive Honorable Mention.

On your mark . . . get set . . . go!

"This year's team was the most unified I have been associated with. We were a real team, not just a group of runners. We always stuck together and supported each other at every workout and every meet."

— Frank Ford '81

"Although we never actually placed first in a meet this season, our group score was not indicative of our group progress. Times dropped, spirit ran high. With continued coaching excellence, there is no doubt that we will soon be number one."

— Mike Herndon '79

Kinchen falls in line.

"This year's team performed to the best of their ability. They worked hard and should be commended. I am proud of having the honor of being the captain and I thank the whole team for their effort and performance."

— John Harris '79

How far to Hockaday?

"I have never seen such a group of talented young runners as those sophomore varsity runners. I expect St. Mark's to be a powerhouse team in the next two years. It was a privilege to run with them."

— Jason Kinchen '79

Nerves tense as the race nears the start.

"The competition amongst the team members was intense at times, but in the long run helped to improve performance and achieve a positive team spirit."

— *Adrian Marengo-Rowe '81*

"The strength of the team was a well balanced effort of all members involved."
—David Upton '81

Water Polo

With only two returning lettermen and facing what was expected to be a rebuilding year, the young Lion team finished the year solidly. They retained state recognition by capturing fifth place in the 1978 State Championships.

Led by First Team All-State member Parks Wesson, the Lion offense was relatively strong. Keith Kadesky, Richard Wesson, and Bo Lett combined to add the extra depth the team was in need of. The defense was led by All-State Honorable Mention Ken Salyer, Rookie goalie Kevin Kadesky and Jeb Beckwith rounded out the defensive squad, which ranked high in the state. Mike Weed and Jeff Stager also played important roles in Lions' success.

In high school competition the Lion team lost only to those teams which ultimately ranked better than fourth in the state.

Thanks to the coaching of John Stutsman and Ken Merten, the 1978-79 Water Polo Team continued the excellence it has come to be known for at St. Mark's.

"This year's motto should have been 'surprise, surprise'. We were a small team having battle teams much taller than we were. The State Tournament was not a true reflection of the year. We did much better than we expected."

— Michael Weed '80

Basketball

While not turning in a winning sason, this year's Basketball Team improved over recent years by the implementation of a full-court press defense, and by the addition of senior Jeff Shipper and junior Marc Hedrick to supplement a squad with only three returning lettermen.

Entering a season whose early schedule included tough 4-A competition, the Lions lost narrowly to W. T. White and Skyline. After these setbacks, the team began to unify and took third in the Royal Crown tournament. They also defeated the Jesuit Rangers. The district 12-A champion Bryan Adams also fell to the Lions.

In SPC, the Lions defeated last year's SPC co-champion, Fort Worth Country Day. They then, however, suffered a heartbreaking defeat to Cassidy, 47-46, but continued on to defeat Holland Hall, Greenhill, Wichita Collegiate, and Kinkaid. The Lions then lost to St. John's, which ended their hopes for the crown. In honor of Coach Adams acknowledgement that this was his last season the team thoroughly trounced respected St. John's to end the competition.

Soccer

This year's Soccer Team had an excellent 16-3-2 season record under the supervision of Coaches Egues, Meyer, and Palmer. The team defeated its rival Cistercian twice, and lost only to Jesuit and Casady. The team entered the SPC competition confidently, and garnered a 5-0 record to take the championship. The Lions took first place over Greenhill, FWCD, Kinkaid, St. John's, and San Marcos.

Named to All-SPC were senior Co-Captain Casey McManemin, juniors Trey Cutler, David Toombs, and sophomores Larry Roach and David Upton. Co-Captain Tom Baldwin, Bud Brooks, Craig Chapman, junior Russell Fojtasek, and sophomore Don Hall were accorded Honorable Mention. A special achievement this year was sophomore David Upton's season record of 27 goals, rialing David Maldonado's record of 30 goals set in 1976. Upton's per game average was actually higher than Maldonado's.

This year's Soccer Team was one of the finest in recent history. The talent, coordination and teamwork proved to be the finest in the SPC region.

The coaches were able to experiment with different formations in order to find the one line-up that maximized the talents of the team. Once this maximizing formation was achieved, the Lion team became virtually unstoppable."

Wrestling

The 1978-79 wrestling season was a successful and rewarding one, as the young team finished the season with a 4-8-0 record. Coaches Tim Brennan and Kim Gagne scheduled a very tough season in preparation for District and Regional Tournaments in February. This tough schedule gave the team experience, incentive to work hard, and pride in competing with the toughest teams in the area.

St. Mark's beat Casady 45-18 to become SPC Champs, and earned a memorable 49-16 win over Skyline. In the Lake Highlands Invitational Tournament, senior Tri-Captains Bo Davis and Brandt Miller took second and fourth respectively. Four wrestlers placed first in the District tournament: freshman Eric Reeves, junior Tri-Captain Adam Seidel, junior Allen Custard, and Bo Davis. These wrestlers, as well as the rest of the team then qualified to compete in the regionals. In regionals, three wrestlers took third or better to go on to the State Championships. They were Adam Seidel, Bo Davis, and junior David Wilkie.

Overall the team worked hard, competed well and enjoyed a good wrestling season. Despite a disappointing final record, the experience the team gained was highly beneficial.

Swimming

This year, the St. Mark's Swim Team, under the leadership of coaches Ken Merten and John Stutsman and senior Captain Rick Rasansky, continued to display prowess in competition and quality swimming. Although the team lost several lettermen after last year, the team maintained the strength to achieve a 7-2 dual meet record, losing only to 4-A powerhouse J. J. Pearce and Richardson — perhaps the fastest team in the state.

The squad definitely performed at its best by utilizing the combined efforts of each member of the team. However, a few swimmers did stand out in the area of speed. Sophomore Richard Wesson consistently contributed to the success of the Lions. Most impressive were his school records in both the 200 yard individual medley (2:05.19) and the 100 yard Fly (52.9). Proving that success runs in the family, senior Parks Wesson scored well in every meet. Leading the sprinters, Rick Rasansky consistently placed in the top three in the 50 and 100 yard Free. Junior David Greenblatt must not be forgotten in the mention of swimming. His contribution to the team by diving was a valuable asset. Other stand-outs were senior Andy Rutrough, juniors Keith and Kevin Kadesky, Jeb Beckwith, Philip Woodward, sophomore Bo Lett and freshman Mark Hurst.

"In swimming it takes a tremendous amount of individual effort and determination to gain success. Success is earned only through self-motivation — the ability to operate under the stresses of extreme pain and pressure in order to reach a goal — the goal of knowing you've done your best."

Volleyball

The 1978-79 Volleyball Team surpassed last year's impressive record by capturing the S.P.C. Championship at Trinity Valley. With the leadership of co-captains Tom Baldwin and David Mullins under the direction of coach Phil McDaniel, the Lions compiled an impressive 9-3 record during its second season in interscholastic competition.

The St. Mark's team started the S.P.C. tournament with a loss to Casady, one of only three losses for the season. The Lion competitors rebounded by twice defeating Greenhill and decisively defeating Casady to capture the S.P.C. title. Outstanding Lions Tom Baldwin, Duffy Graham, David Mullins and Rick Waechter were named to S.P.C. All Conference team. Senior Tom Baldwin was also honored with Most Valuable Player at S.P.C. Duffy Graham added a school record of 117 perfect serves.

Other team standouts were senior Errington Thompson and underclassmen Mark Hedrick, John Gilchrist, and Eric Lombardi who all contributed to an incredible season.

"Personally, I loved killing the ball on every spike, and it was great to 'stuff' the other team. But more importantly, the best aspect of the season for me was being part of a championship team. We had a great attitude, a great coach, great leadership and a great season. I'll never forget our S.P.C. victory — it was the single most exciting athletic event I ever participated in at St. Mark's."

— Duffy Graham '79

Baldwin kills it.

The pre-game warmup begins.

"A lot of credit must be given to Mr. McDaniel for providing the motivation and assurance to keep the team winning throughout the season.

One of the things the team realized by S.P.C. was that when we stuck together we were much more capable of winning. During S.P.C. we played as a team and as a result we won the tournament."

Graham strikes again.

"A major reason why we won in S.P.C. is that we never gave up; we always thought of ourselves as having a chance to win."

— Tom Baldwin '79

"We were underdogs all season long. We were underdogs after our loss to Casady in our own tournament, and we were underdogs to Casady after losing in the first game of S.P.C. But we pulled together during the last week of practice and we pulled together after that second loss to Casady. Everyone contributed. It was a real team effort, and we proved that we were the best."

— Rick Waechter '80

Thompson spikes it.

Fencing

"The 1978-79 Fencing Team, coached by Richard Lawrence, David Forman and Maitre d' Armes Daniel Nevot, enjoyed a tremendous season. Through hard work and dedication, and aided by the expertise of the three seasoned coaches, the team fared well in both regional and national competition.

In the Dallas Open, a Junior Olympics qualifier, Co-Captain Oscar Estell placed seventh and Coach Lawrence placed fourth. Due to the fact that St. Mark's is the only preparatory school with a fencing team in the Metroplex, it is a notable achievement that such results were gained in competition against schools such as S.M.U., and the Dallas Fencing Club.

At the Junior Olympics, held in Boston during February, senior Oscar Estell was defeated early, while sophomore Dan Northcutt took seventh in under-16 epee, and freshman Robert Brown garnered sixth in under-16 foil. Paul Neureiter and Clay Bradfield were eliminated before finals.

Through the leadership of Co-Captains Estell and junior Milton Huang, and the commitment of the coaches, the Fencing Team continued to grow in its importance to varsity athletics.

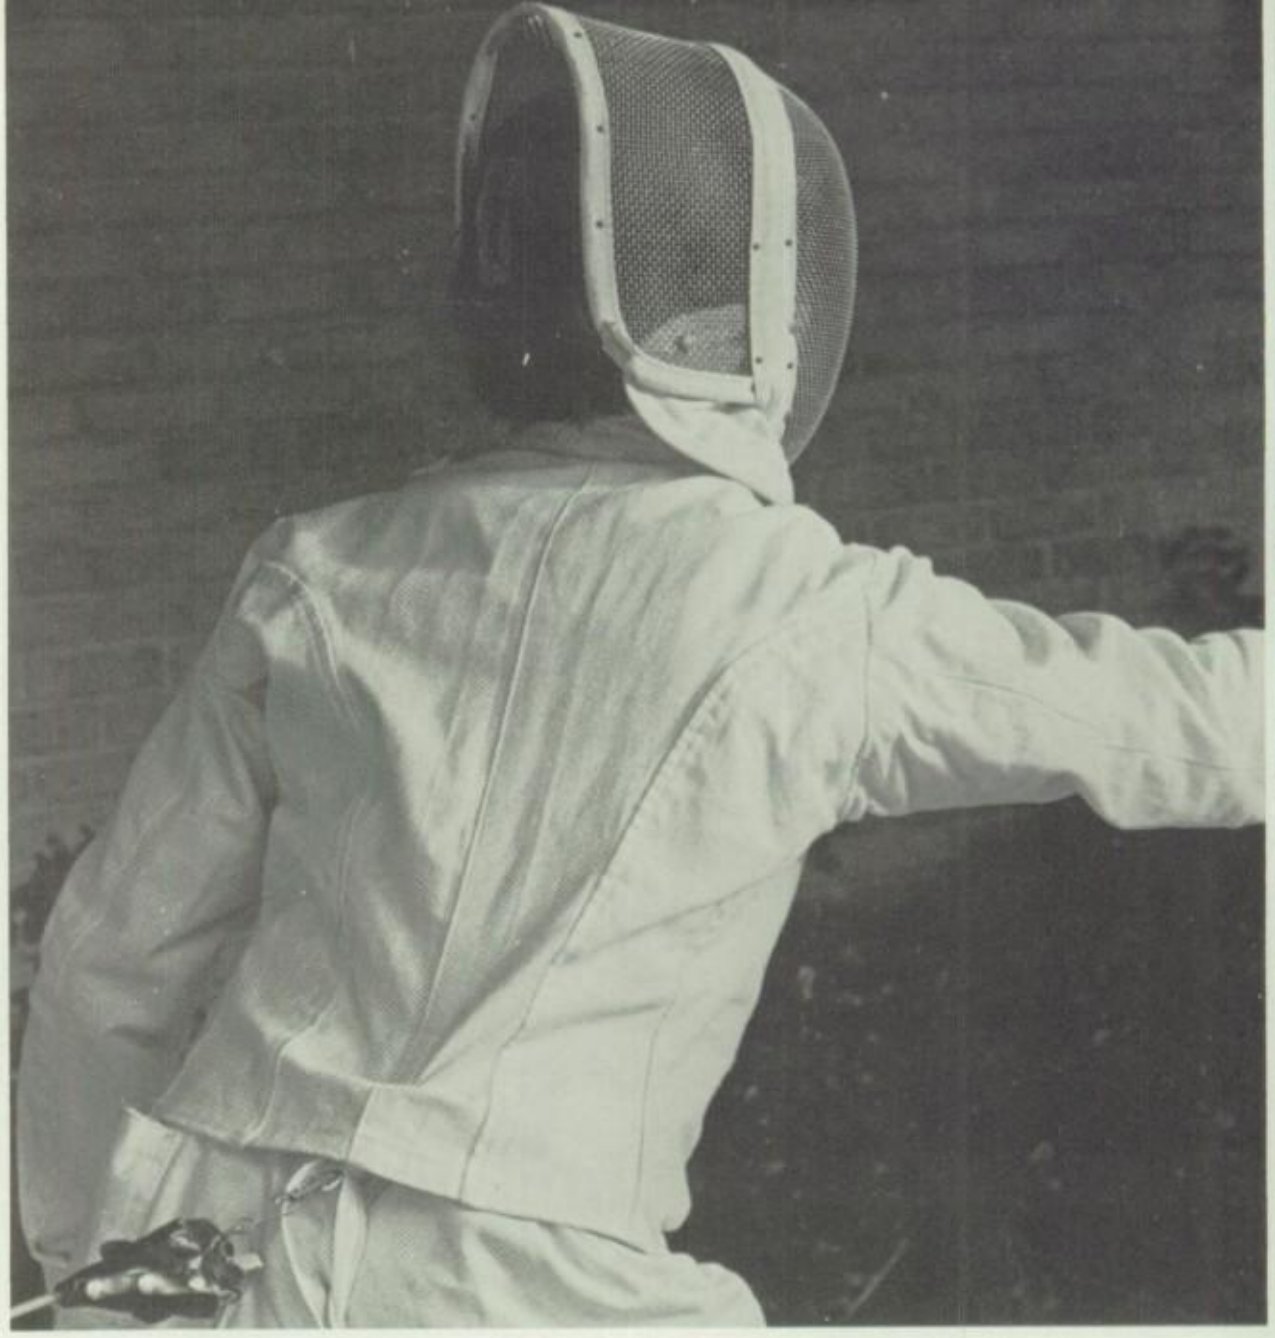
A "touch" is scored by the opponent

"Because fencing is an individual sport requiring a good deal of initiative, it has helped me to develop self-confidence and an awareness of personal responsibility."

— *Oscar Estell '79*

"Fencing is more than a sport; it's an art. Concentration, anticipation and overcoming the fear of the blade are all important. One must have a quick reaction in order to succeed. It's important to practice and to always be open to learning new things. You can always learn something new, regardless of how good you are. Fencing is an individualistic sport; you can only blame yourself for your shortcomings. You learn through your own mistakes."

— John Clutts '82



Checking the score.

Ready on the right . . . ready on the left . . . fence!

"A real benefit of fencing is the opportunity it gives one to develop friendships with people from other grades."

— *Robert Brown '82*

The parry

"I enjoy competition because it is an individual effort. It takes a lot of time, energy and devotion to become a good fencer. This was a strong season because more people accepted the challenge. Mr. Lawrence greatly aided the team, utilizing his first-hand experience in competition. Fencing has earned a new respectability as a sport, and I am glad to be a part of it."

— Dan Northcutt '81

"This year's fencing team has been strong, despite the loss of several of its strongest members. There are a number of beginning fencers this year who will hopefully grow to become contributing members of the team."

— Clay Bradfield '82

"I dare you to say that again."

"Fencing has taught me sportsmanship."

Rod Blaydes (upper right) assumed responsibility of the Drama program at St. Mark's this year. In addition to his regular teaching duties, Mr. Blaydes is responsible for the administration of *Summerstage,* and also works with the Theatre on Stage, which is an open actor's theatre. He attended Angelo State College and is a graduate of Texas Tech University.

Ken Walters (lower right) joined the St. Mark's Fine Arts Department as Media Director for the last five years. He teaches Photography, Electronic Media and Radio Workshop. In addition to his regular teaching duties, Mr. Walters sponsors the school radio station, KRSM-FM. He received his B.F.A. from S.M.U.

William Kysor (top left) has been a member of the Fine Arts Department for eight years, coming to the school n 1971. Mr. Kysor teaches Middle School Creative Art and Upper School Ceramics. Mr. Kysor earned his B.S. from North Texas State University.

James Livengood (bottom left) came to St. Mark's in 1969 to instruct Choir, Glee Club, and Mixed Chorus. Mr. Livengood also acts as organist at chapel services. He holds a B.A. from Occidental College and an M.M.E. from S.M.U.

Mary Ann Livengood (upper right) has taught Lower School Music for the last seven years. In addition to her teaching duties, Mrs. Livengood tutors students in music. She received both her B.A. and M.M. degrees from S.M.U.

Jean Billingham (lower right) has just completed her first year as head of the Lower School Art Program. She received her education in Oxford, England. Her art experience includes the illustration of medical texts, extensive volunteer work with adolescents and art instruction in the D.I.S.D.

Mary Ann Glicksman (upper left) has just completed her first year teaching with the Lower School. She is a native Texan from Fort Worth, and has taught extensively in New York City. She attended Rice University, received her B.A. from the University of California at Berkeley, and a M.A. from Columbia University. In addition, she holds another M.A. from Teacher's College, Columbia, and is a member of Phi Beta Kappa.

Frank Jordan (lower left) has been a member of the Lower School faculty since 1970. During that time, he has taught both third and fourth grade. Mr. Jordan received his B.A. from Austin College and his M.A.T. from Cornell.

Carolyn Cobb (upper right) joined the Lower School faculty this year to teach the first grade. She has taught in the Arlington, Virginia, schools, the Masters Schools, and in the schools in Dobbs Ferry, New York. Her B.S. is from Wheelock College, and she has done advanced study at Teacher's College, Columbia.

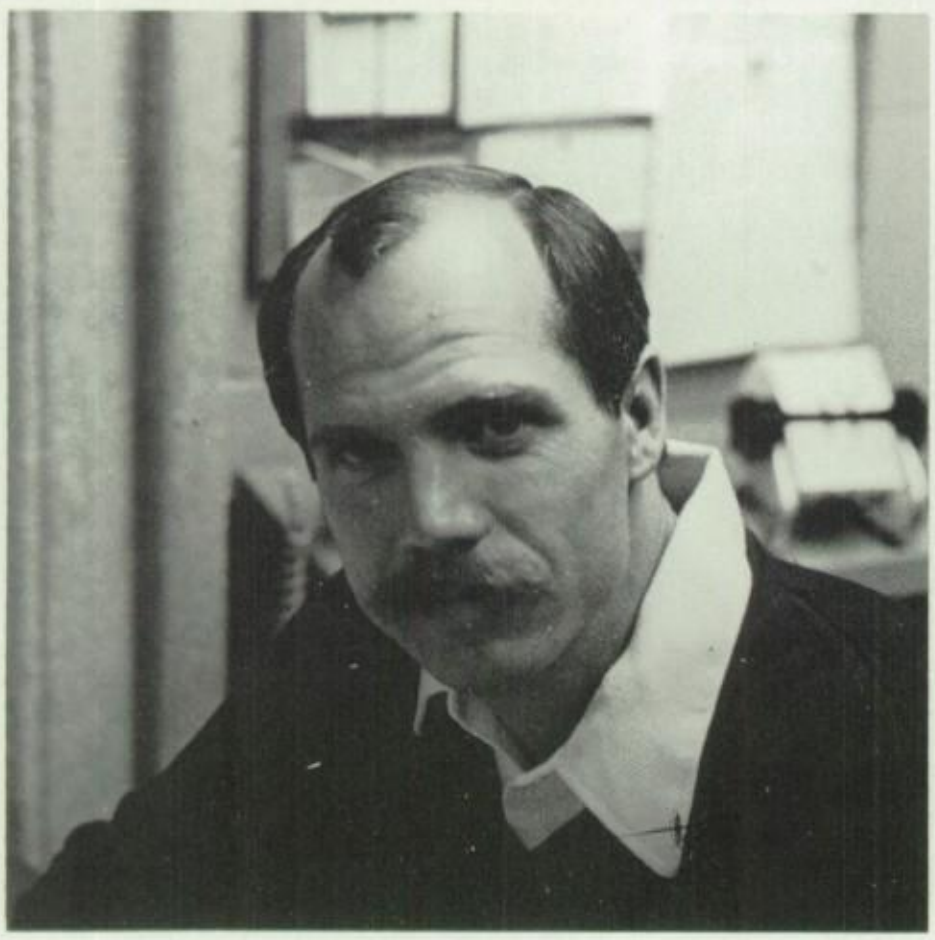
Mary Margaret Van Shaw (lower right) has taught at St. Mark's for twenty-two years, longer than any other current Lower School teacher. During this time, Mrs. Van Shaw has taught second and third grade. She received her B.A. from Pillip's University.

Francis Bailey (upper left) has instructed the fourth grade in Language Arts, Math, and Social Studies since her arrival to St. Mark's in 1974. She graduated from Wichita State University and received her M.E. from Texas Women's University.

Esther Wakefield (lower left) joined the Lower School of St. Mark's in 1964. Since that time, she has taught both third and fourth grade. Mrs. Wakefield earned her B.A. from Ohio State University and attended graduate school at North Texas State University.

Evelyn Boone (upper right) has just completed her twentieth year of teaching with the Lower School. Her work with the first grade earned her the school's first Master Teacher Chair, the Ida and Cecil Green Chair, last year. Mrs. Boone holds a B.S. degree from S.M.U. and has done graduate work at Lehigh University and U.C.L.A.

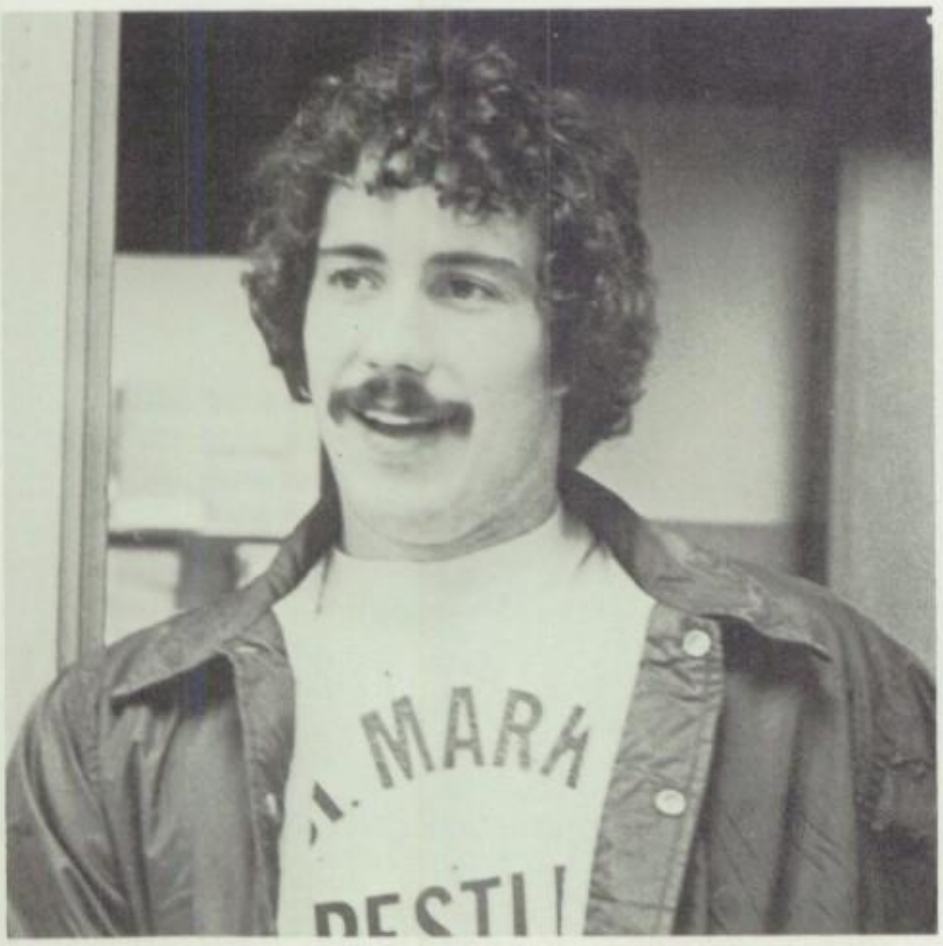
Jill Arledge (lower right) has just completed her second year of working with the St. Mark's Lower School. She instructs the second grade. Ms. Arledge received a B.S. degree from Texas Tech University, where she is working on her M.S.

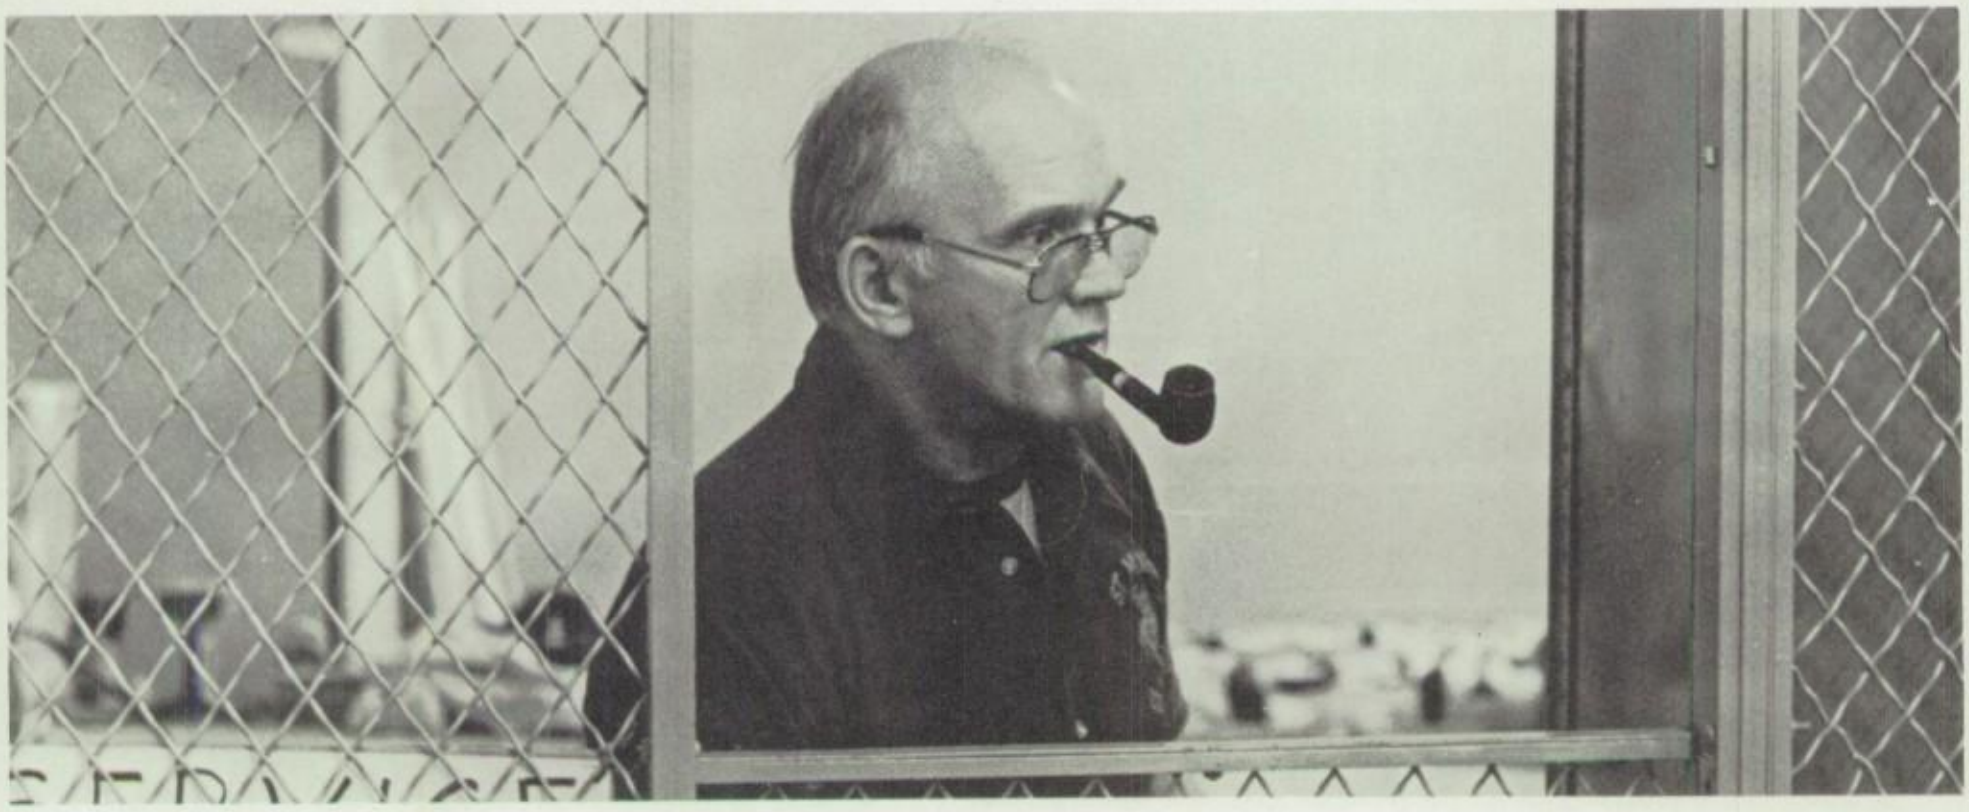


Charles Quisenberry (upper left) joined the Athletic Department 11 years ago. He coaches both Varsity Football and Varsity Track. From 1974 until 1978, Mr. Quisenberry was the Athletic Director. In addition to his coaching activities, Mr. Quisenberry sponsors the Letterman's Club. He holds a B.A. from Sam Houston and an M.Ed. from E.T.S.U.

Ken Merten (lower left) has just completed his first year as Athletic Director. Mr. Merten is also Head Coach of the Swimming Team and the Assistant Coach of Water Polo. He had been a member of the U.S. Olympic Swimming team before coming to St. Mark's. He holds a B.A. in Physical Education from S.M.U.

Daniel Nevot (right) has been a member of the St. Mark's Athletic Department since 1964. He is the Head Coach of Fencing, and, under his direction, several St. Mark's Fencers have placed at national competitions. In addition, Mr. Nevot teaches Physical Education at all grade levels. He also has participated in the Freshman trip to the Pecos Wilderness. Mr. Nevot received a Maitre d' Education Physique from Ecole Militaire Superieur d' Education Physique.





Tim Brennan (upper left), a graduate of the Class of '71, returned to St. Mark's three years ago in order to join the Athletics Department. Mr. Brennan's responsibilities include coaching Middle School Football, seventh and eighth grade Wrestling, and Varsity Wrestling. In addition, he assists in all forms of physical education. Mr. Brennan received his B.S. degree from the University of Tennessee at Chattanooga.

Harold Seawright (bottom) assumed the position of equipment and locker room manager this year after serving in previous years as night watchman. His responsibilities include all forms of athletic maintenance including upkeep of all athletic uniforms.

Sherman Zimmerman (upper right) joined the St. Mark's Athletic Department four years ago. He serves as coach of the J.V. Football Team, the Middle School Basketball Team, and the Track Team. In addition, he scouts for the Varsity Football Team. Mr. Zimmerman received his B.A. from Howard Payne University.

Sophie Strauss (upper left) arrived at St. Mark's in 1962 to become Head Librarian. Her duties include overseeing and supervising all library activities. She holds a B.S. from Simmons College and has attended the New England Conservatory of Music.

Marsha Hawley (lower left) has just completed her third year working with the library staff. She holds the position of Library Assistant and Periodicals Manager, and thus has the duty of cataloging the many magazines and newspapers that the library receives each day. Mrs. Hawley earned her B.A. in English from the Wheaton College in Norton, Massachusetts.

Carla Outler (upper right) has been a member of the St. Mark's Librarian Staff since her arrival in 1967. She has the responsibility of taking care of most of the cataloging of the books and records. Mrs. Outler holds an A.B. from Birmingham Southern University and an A.B.N.L.S. from Emory University.

Marilyn Segal (lower right) began working in the St. Mark's Library four years ago. Her responsibilities in the Library include managing the Reference and Bibliography sections, along with providing instruction to students on usage of the library. Mrs. Segal received her B.A. in English from S.M.U., and an M.L.S. from the University of Wisconsin.

Automobiles Have Changed. Our Integrity Hasn't.

Carl Sewell sold his first car out of his father's hardware store in Arlington in 1912.
It came from the factory in a wooden crate, ready to assemble. Mr. Sewell not only put the car together, but taught the purchaser how to drive it.
The cars we sell now don't come in crates. And we haven't been asked in many years to teach a prospective customer how to drive. But there has been no change in our attitude. We still emphasize that extra personal concern. It is a Sewell tradition. It should reassure you that our good name means a great deal to us. And we maintain that good name by selling the finest automobiles in the world, and giving them the finest service that dedication and years of experience can produce.

Handsome. You
finally made it Tights.
Have fun being Rocky

Happy reminder.

Life ahead offers many uncertainties. But throughout the years one constant remains. Your Balfour class ring. It will never fail as a happy reminder of the golden years you shared with your classmates. Wear it with pleasure.

To Mario Foster

Your guidance and concern
Has helped us to get by,
From you we love to learn
So we hate to say goodbye.
You're both a friend and leader
In sound there's no contest,
And though we have to leave here
We wish you all the best.
